ASSIGNMENT

I, Johann Mall, a citizen of Germany, residing at Kellererstrasse 2,
Fuerstenfeldbruck, Germany, having invented a certain invention entitled:

METHOD AND DEVICE FOR MACHINING WORK PIECES THAT ROTATE AROUND A WORK PIECE AXIS

for which an application for Letters Patent in the United States of America was executed on even date herewith, do hereby sell, assign, and transfer over unto THE GLEASON WORKS, a corporation organized under the laws of the State of New York, and having its principal place of business at Rochester, New York, United States of America, for good and valuable consideration, receipt of which is hereby acknowledged, the entire and exclusive right, title and interest to said invention, in the United States of America and its territorial possessions, and in all foreign countries, and to all Letters Patent, International Patents, or similar legal protection to be obtained in the United States of America and its territorial possessions and in any and all foreign countries based upon said application for patent or any continuation, division, renewal, substitute or reissue thereof, including legal equivalents thereof, the same to be held and enjoyed by THE GLEASON WORKS, its successors, assigns or other legal representatives, to the full end of the term for which any and all Letters Patent and similar legal protection of the United States and any and all foreign countries may be granted, as fully and as entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

Further, I agree that I will communicate to THE GLEASON WORKS, or its representatives, any facts known to me respecting said invention, and will testify in any legal proceedings, sign all lawful papers, execute all division, continuation, substitute, renewal and reissue applications thereon, execute all necessary assignment papers to cause any and all of said Letters Patent, or equivalent legal
