ASSIGNMENT

THIS ASSIGNMENT, made by me, **Stanley R. Buisman**, citizen of the United States of America, residing at 6781 Shingle Creek Drive, Brooklyn Park, MN 55445;

WITNESSETH: That,

WHEREAS, I am one of the joint inventors of certain new and useful improvements in **METHODS AND APPARATUS FOR DISPENSING SOLID PHARMACEUTICAL ARTICLES** for which an application for United States Letters Patent has been filed, or is being filed concurrently, in the United States Patent and Trademark Office. I hereby authorize and request Myers Bigel Sibley & Sajovec, P.A., to insert here in parentheses (Application No. 12/121,951, filed May 16, 2008) the filing date and application number of said application when known or to file this Assignment concurrently with the application; and

WHEREAS, **Quadion Corporation**, a Minnesota corporation having a principal place of business at 1100 Xenium, Minneapolis, MN 55441, hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention as described in said application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and by these presents do hereby sell, assign, transfer, and convey unto the said assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and application, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

I hereby request that said Letters Patent be issued in accordance with this assignment.
