**ASSIGNMENT**

THIS ASSIGNMENT, made by **Quadion Corporation**, a Minnesota corporation having a principal place of business at 1100 Xenium, Minneapolis, MN 55441, hereinafter referred to as Assignor;

WITNESSETH: That,

WHEREAS, the above named corporation is a co-owner of one or more inventions and useful improvements in **METHODS AND APPARATUS FOR DISPENSING SOLID PHARMACEUTICAL ARTICLES** for which an application for United States Letters Patent has been filed, or is being filed concurrently, in the United States Patent and Trademark Office. The above named Assignor hereby authorizes and requests Myers Bigel Sibley & Sajovec, P.A., to insert here in parentheses (Application No. 12/121,951, filed MAY 14, 2008) the filing date and application number of said application when known or to file this Assignment concurrently with the application; and

WHEREAS, **PARATA Systems, LLC**, a Delaware limited liability company having a principal place of business at 2600 Meridian Parkway, Durham, North Carolina 27713, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title, and interest in and to said invention as described in said application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor has sold and by these presents does hereby sell, assign, transfer, and convey unto the said assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and application, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as

fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment and sale had not been made.

The Assignor hereby requests that said Letters Patent be issued in accordance with this assignment.

The Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, the Assignor possesses full title to the invention and application above-mentioned, and that the Assignor has the unencumbered right and authority to make this assignment.

The Assignor further covenants and agrees to promptly communicate to said assignee or its representatives any facts known to the Assignor relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said assignee, its successors, assigns, and other legal representatives; and the Assignor hereby instructs, and further covenants and agrees to bind its heirs, legal representatives, and assigns, to do same, without further compensation, but at the expense of said assignee or its representatives.

IN WITNESS WHEREOF, the Assignor has caused this assignment to be executed this 15<sup>th</sup> day of May, 2008. The undersigned warrants and represents that he/she has the authority to sign this Assignment on behalf of the Assignor, **Quadion Corporation**.
