_____ filed _____ on _____

_____, (I/ hereby authorize Daniel P. Dailey (Reg. No. 54,054) to
enter the serial number and filing date when they becomes known) and any and all
applications claiming the benefit thereof including the right of priority, and all the
rights and privileges in said applications and under any and all Letters Patent or any
continuation, division, renewal, or substitute thereof, and any reissue or re-
examination thereof that may be granted in the United States for said inventions,
together with the right to recover all damages, including, but not limited to, a
reasonable royalty, by reason of past, present, or future infringement or any other
violation of patent or patent application rights; to have and to hold for the sole and
exclusive use and benefit of the Assignee, its successors and assigns, to the full end of
the term or terms for all such patents. I also concurrently hereby sell, assign and
transfer to Cook the entire right, title and interest in and to said inventions for all
countries foreign to the United States, including all rights of priority arising from the
applications aforesaid, and all the rights and privileges under any and all forms of
protection, including Letters Patent, that may be granted in said countries foreign to
the United States for said inventions.

I authorize Cook to make application for such protection in its own name
and maintain such protection in any and all countries foreign to the United States, and
to invoke and claim for any application for patent or other form of protection for said
inventions, without further authorization from us, any and all benefits, including the
right of priority provided by any and all treaties, conventions, or agreements.
