Attorney Docket No. 20080590-03-US

ASSIGNMENT OF PATENT APPLICATION

THIS Assignment is effective as of the 9th day of June 2008 ("Effective Date"), between Agilent Technologies Singapore Holdings Pte. Ltd., Registration No. 200309822Z, a corporation incorporated under the laws of Singapore ("Assignee"), and Escort Instruments Corporation, a corporation organized under the laws of Taiwan ("Assignor").

Assignor does hereby assign and transfer to Assignee, its successors and assigns, the entire right, title and interest, including the right of priority in, to and under an application for Letters Patent of the United States entitled:

Detection Circuit for measurement of Test Lead and Using the Same

Filing date: October 13, 2006

Serial No.: 11/546,920

and the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part (CIP's), divisionals, and renewals of and substitutes for said application for said Letters Patent, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor, and any reissues, or reexaminations, or extensions of said Letters Patent.

Assignor additionally authorizes Assignee to file applications in the name of the Assignor or Inventors for Letters Patent in any country, to be held and enjoyed by Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by the Assignor or Inventors had this assignment, and transfer not been made,

AND Assignor hereby covenants that Assignor has full right to convey the entire interest herein assigned, and that the Assignor and Inventors have not executed and will not execute any agreement in conflict herewith, and Assignor further covenants and agrees that Assignor will, each time a request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said invention(s) or improvement(s), said application and said Letters Patent, to Assignee, its successors, assigns, nominees or legal representatives, and Assignor agrees to communicate to Assignee, or to its nominee, all known facts respecting said invention(s) or improvement(s), said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisionals, continuations, CIP's, reissue and foreign applications, to make all rightful oaths and declarations, and generally to do everything possible to aid Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce, for its or their own benefit, proper patent protection for said invention(s) or improvement(s) in any and all countries provided the expenses which may be incurred by me/us in lending such cooperation and assistance are paid by Assignee;

AND Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to Assignee, as assignee of the entire right, title and interest, any and all Letters Patent for said invention(s) or improvement(s), including any and all Letters Patent of the United States which may be issued and granted on or as a result if the application aforesaid, in accordance with the terms of this assignment.
