ASSIGNMENT

In consideration of the sum of ONE DOLLAR to me paid and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

I the undersigned hereby sell, assign, transfer and convey unto

Porous Media Corp., a corporation of the State of Texas, having an office at 4301 West Davis, Conroe, Texas 77304, its successors and assigns,

the entire rights, title and interest for the United States and the territories thereof, and for all foreign countries including the rights to claim priority under the laws of all countries or under the International Convention or other present or future conventions between or among countries,

in and to my invention or inventions disclosed in my application for United States Letters Patent entitled **Method for the Selective Extraction of Acids, Bases and Polar Salts** for which a patent application for United States Letters Patent was filed on February 16, 2007, and has Serial No. 11/706,565, and

in and to any patent which may issue on said application, and

to any other application filed in the United States or elsewhere, including divisions, continuations, and patents of importation, and any patents resulting therefrom, aimed to cover any invention disclosed in said above-specified application, and any reissue, extension or renewal thereof.

I hereby authorize and request the Patent and Trademark Office Officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when

granted, to said **Porous Media Corp.** as the assignee of my entire right, title and interest in and to the same, for the sole use and enjoyment of said **Porous Media Corp.**, its successors and assigns.

And I hereby bind myself, my heirs, legal representatives, administrator and assigns to communicate any facts and provide evidence to said **Porous Media Corp.** or its representatives known to me, respecting said invention or inventions and testify in any legal proceedings, sign all papers, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said **Porous Media Corp.**, make all oaths, petitions, or execute other papers and instruments and generally do everything which in the opinion of counsel for said **Porous Media Corp.**, its successors and assigns, may be required or necessary to obtain and enforce protection for said inventions in the United States and in any and all foreign countries, and to carry into full force and effect the sale, assignment and transfer hereby made or agreed to be made.
