**ASSIGNMENT**

WHEREAS, Michael K. Riscoe, whose address appears below (hereinafter referred to as ASSIGNOR), is a joint inventor of certain new and useful improvements in an invention entitled "AROMATIC KETONES AND USES THEREOF" (hereinafter referred to as THE INVENTION) for which an application for United States Letters Patent was filed;

WHEREAS, The United States of America, as represented by the US Department of Veterans Affairs, having a place of business at 810 Vermont Avenue, NW, Washington, D.C. 20420 (herein referred to as the "Government") and OREGON HEALTH & SCIENCE UNIVERSITY, having a place of business at 3181 SW Sam Jackson Park Road, Portland, OR 97039, (hereinafter referred to as "OHSU"), is desirous of acquiring his entire right, title and interest in and to the same in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, ASSIGNOR, by these presents does sell, assign and transfer unto said GOVERNMENT AND OHSU, his entire right, title and interest in and to said invention and application throughout the United States of America, including any and all United States Letters Patent granted on any division, continuation, continuation-in-part and reissue of said application; and his entire right, title and interest in and to said invention throughout the world, including the right to apply for patents and inventor certificates in respect thereof and to claim priority pursuant to rights accorded ASSIGNOR under the terms of the Paris International Convention and all other available international conventions and treaties; and his entire right, title and interest in and to any and all patents, patents of addition, utility models, patents of importation, revalidation patents and inventor certificates which may be granted throughout the world in respect of said invention.

ALSO, ASSIGNOR hereby agrees to execute any documents that legally may be required in connection with the filing, prosecution and maintenance of said application or any other patent application(s) or inventor certificate(s) in the United States and in foreign countries for said invention, including additional documents that may be required to affirm the rights of the GOVERNMENT AND OHSU in and to said invention, all without further consideration. ASSIGNOR also agrees, without further consideration and at the GOVERNMENT AND OHSU's expense, to identify and communicate to the GOVERNMENT AND OHSU at the GOVERNMENT AND OHSU's request documents and information concerning the invention that are within ASSIGNOR's possession or control, and to provide further assurances and testimony on behalf of the GOVERNMENT AND OHSU that lawfully may be required of ASSIGNOR in respect of the prosecution, maintenance and defense of any patent application or patent encompassed within the terms of this instrument.

ASSIGNOR also agrees, without further consideration and at the GOVERNMENT AND OHSU's expense, to transfer the right to sue for past infringement to the GOVERNMENT AND OHSU and at the GOVERNMENT AND OHSU's request documents and information concerning the enforcement of the right to sue within ASSIGNOR's possession or control, and to provide further assurances and testimony on behalf of GOVERNMENT AND OHSU that lawfully may be required of ASSIGNOR in respect of the right to sue of any patent encompassed within the terms of this instrument.

ASSIGNOR's obligations under this instrument shall extend to ASSIGNOR's heirs, executors, administrators and other legal representatives.

ASSIGNOR's hereby grants the firm of Jagtiani + Guttag of Fairfax, VA (Customer No. 22,506) the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent referred to above to the GOVERNMENT AND OHSU of his entire right, title and interest in and to the same, for the GOVERNMENT AND OHSU's sole use and behalf, and for the use and behalf of the GOVERNMENT AND OHSU's legal representatives and successors, to the full end of the term for which such Letters Patent may be granted, as fully and entirely as the same would have been held by ASSIGNOR had this assignment and sale not been made.
