-----X
Pursuant to the Order and Judgment entered herein in the Office of the County Clerk,
Bronx County, on December 9, 2005, Chromatics Color Sciences International, Inc. ("CCSI"), a
New York corporation, assigned to appointed Receiver Marshall E. Bloomfield, ESQ.
("Receiver") its entire right, title and interest in and to all of its patents, intellectual property and
good will (the "Property"), which Property was thereafter held by Receiver in trust pursuant to

V:\Darby MacFarlane\8813KN\ASSIGNMENT MEB TO COLOR DATA-070911-MPB WPD

the terms of the Interim Financing Agreement ("IFA") filed herein, via Assignment dated March 3, 2006 and filed herein.

Pursuant to a Notice of Receivers's Sale published in The New York Times, in accordance with the rules and practice of this Court, said Sale was conducted at 349 E 149 Street Room 407, Bronx New York, by Marshall E. Bloomfield, Esq., Court Appointed Receiver on September 11, 2007 at 10:00am, whereby the highest bidder was Color Data, LLC.

Pursuant to the Order and Judgment dated December 9, 2005, Receiver hereby assigns the Property to Color Data, LLC, the Property so assigned consists of:

1. CCSI's entire right, title and interest in the United States and in all countries throughout the world in and to any and all patents and patent applications (including without limitation those patent applications and patents identified in attachments A and B), including any renewals, revivals, reissues, reexaminations, extensions, continuations and divisions thereof, and any substitute applications therefor and including the right to sue for and collect damages or other compensation for past infringement thereof; and CCSI hereby authorizes competent authorities to grant and issue any and all such patents to the assignee of the entire interest therein;
2. CCSI's entire right, title and interest in the United States and in all countries throughout the world in and to any and all copyrights, trademarks, applications to register trademarks and registered trademarks and the goodwill represented by those trademarks (including without limitation those trademarks identified in attachment C), together with the right to sue for and to collect damages or other compensation for past infringement, dilution or misuse of those trademarks; and
3. CCSI's entire right, title and interest in the United States and in all countries throughout the world in and to any and all inventions, discoveries, trade secrets and know-how which are disclosed in patents and patent applications as delineated in paragraph 1 above and which are disclosed in copyrights, written and electronic media documentation, prototype and commercial instrumentation, and research and development materials, equipment and documentation (collectively, "Other Intellectual Property"), such Other Intellectual Property being identified in attachment D.

Date: September 11, 2007

Marshall E. Bloomfield, Esq., Receiver
