ASSIGNMENT OF LETTERS PATENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Terabeam Corporation, a corporation of Washington, having a place of business at 1561 Buckeye Drive, Milpitas, California 95035:

Hereby sells, assigns and transfers to HXI, LLC, a limited liability company of Massachusetts, having a place of business at 12 Lancaster County Road, Harvard, Massachusetts, 01451, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in United States Letters Patent Number 6,163,231, titled MILLIMETER WAVE MODULATOR AND TRANSMITTER, issued to Phaneuf and assigned to said Assignor, and in and to any and all improvements which are disclosed in said Letters Patent, and in and to all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements; and

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to it but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, said Assignor will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and legal representatives, all facts known to said Assignor relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, and representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives.
