## ASSIGNMENT

Pursuant to our obligation to The Board of Trustees of the University of Arkansas (hereinafter referred to as "Assignee"), having its principal place of business at:

2404 North University  
Little Rock, AR 72207

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, we:

Ajay P. Maishe  
4105 Georgia St.  
Springdale, AR 72762

Arpana Verma  
11 South Duncan Avenue #13  
Fayetteville, AR 72701

confirm our obligation to, and effective as of January 12, 2007, hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest -

(1) in and to an invention entitled "Nanoparticle Compositions and Methods for Making and Using the Same" the specification of which was filed with our authority on January 12, 2007 as International Patent Application No. PCT/US2007/060506, (Atty. File No. 013961-9013 WO00), which application claims the benefit of U. S. Provisional Patent Application No. 60/758,307, filed January 12, 2006.

(2) in and to any United States national phase patent application based on said PCT Application, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and/or said PCT Application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of our Assignee with a claim to priority based on said United States application and/or said PCT Application.

And we hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.
