ASSIGNMENT

WHEREAS, I, Roger Altman, of the City of Alexandria Bay, and State of New York, invented a certain new and useful ASYMMETRIC BATTERY PULSATION SYSTEM (Docket No. 070435-00013) for which I executed an application ("Application") for letters patent of the United States (U.S. Ser. No. 12/193,996 filed on August 19, 2008);

AND WHEREAS, Canadus Power Systems, LLC, a limited liability company organized under the laws of the State of Delaware, with a place of business at 4555 Renaissance Parkway, Suite 101, Warrensville Heights, Ohio 44128, ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said Application and the inventions therein disclosed and any letters patent that may issue thereon;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I hereby sell, assign and transfer unto said Assignee, its successors and assigns, the entire right, title and interest in and to said Application, any application claiming priority therefrom, any non-provisionals, divisions or continuations thereof, and the inventions therein disclosed, and any improvements thereon, and any patents that may be issued or reissued thereon, and I hereby authorize and request the Commissioner of Patents to issue any letters patent thereon, and reissues thereof, to said Assignee, its successors and assigns; and I hereby authorize said Assignee, its successors and assigns, to file, in its own name applications for patent in foreign countries in connection with the inventions hereby transferred, under the International Convention claiming the priority from said Application or otherwise, and to secure in its own name the patent or patents issued thereon; and I hereby agree that, upon request, I will sign all papers, and make all rightful oaths, and do all acts which said Assignee, its successors or assigns, may consider necessary in connection with said United States application or foreign applications that may be filed in connection with said inventions, and with any improvements thereon, and in connection with any patents issued or reissued thereon; and I hereby authorize said Assignee, its successors or assigns, to insert into this assignment document the serial number and filing date of said Application when known and as necessary such that this assignment document may be properly recorded.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 20 day of August, 2008.
