**ASSIGNMENT**

This assignment is made by Allen L Witters Assignor, to Falcon Group LLC, Assignee, having a place of business at 21 County Road A 19B 19A, Las Vegas NM 87701, email address of alw@falcongroupllc.com.

WHEREAS, Assignor has invented a new and useful invention(s) entitled Integrated Multiple Fuel Renewable Energy System for which an application for United States Letters Patent

☒ was filed on 06/01/2008 and given Application No. 12131106  
☐ is being filed herewith; and

WHEREAS, Assignor believes himself to be the original, first and sole inventor of the invention(s) disclosed and claimed in said application for Letters Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said invention(s), said application and any Letters Patent that may be granted for said invention(s) in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign and transfer to Assignee, the entire right, title and interest in and to said invention(s), said application and any Letters Patent that may be granted for said invention(s) in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights in which such applications are entitled under international conventions, treaties, or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Letters Patent in the United States and throughout the world for said invention(s), and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said invention(s), said application, and any Letters Patent granted for said invention(s) in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention(s).

Client/matter no. NAI-001
