ASSIGNMENT OF U. S. ISSUED PATENTS

WHEREAS, **Fiberguide Industries, Inc.**, a corporation organized under the laws of the state of the state of New Jersey, having its principal offices at 1 Bay Street, Stirling, New Jersey, 07922 (hereinafter referred to as Assignor), is the sole owner of the entire right, title and interest in and to the United States Letters Patents, and the inventions described therein, set forth on attached Schedule A;

WHEREAS, **Fiberguide Industries Inc.**, a corporation organized under the laws of the state of Delaware, having its principal office at 11500 Northlake Drive, Suite 306, Cincinnati, Ohio, 45249 (hereinafter referred to as Assignee) is desirous of acquiring the entire right, title and interest in and to the aforesaid Letters Patents and the inventions therein described;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, said Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto Assignee, its successors and assigns, the entire right, title and interest in and to the said inventions as described in the aforesaid Letters Patents and any divisions or continuations thereof and the inventions therein disclosed and any improvements thereof, and any patent or patents that may be issued or reissued thereon, the same to be held and enjoyed by the said Assignee for its own use and benefit, and for the use and benefit of its successors, assigns or other legal representatives to the full end of the term for which said Letters Patents have been granted or may be granted, as fully and entirely as the same would have been held and enjoyed by said Assignor, if this assignment and sale had not been made; together with all claims for damages by reason of past infringement of said Letters Patents, with the right to sue for, and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives; Assignor hereby authorizes said Assignee, its successors and assigns, to file in its own name applications for patents in foreign countries in connection with the inventions hereby transferred, under the International Convention claiming the priority of said United States applications or otherwise, and to secure in its own name the patent or patents issued thereon; and Assignor hereby agrees that, upon request, it will sign all papers, and make all rightful oaths, and do all acts which said Assignee, its successors or assigns, may consider necessary in connection with said United States applications, and in connection with any

other United States or foreign applications that may be filed in connection with said inventions, and with any improvements thereon, and in connection with any patents issued or reissued thereon.

IN WITNESS WHEREOF, said Assignor has caused these presents to be signed by its duly authorized officer below named this 4th day of September, 2008.
