ASSIGNMENT

THIS ASSIGNMENT, by Noveltech Solutions Oy, a corporation duly organized under and pursuant to the laws of Finland having a place of business at Tykistökatu 4, FI-20520 Turku, Finland (hereinafter referred to as "the Assignor"), witnesseth:

WHEREAS, the Assignor has obtained the entire interest, by prior assignment recorded at Reel 018356/Frame 0055, in certain new and useful improvements in INTERFEROMETER set forth in an application for Letters Patent bearing Application No. 10/577,463, filed September 28, 2006.

WHEREAS, Gasera Ltd., a corporation duly organized under and pursuant to the laws of Finland and having a principal place of business at Tykistökatu 4, FI-20520 Turku, Finland (hereinafter referred to as "the Assignee"), is desirous of acquiring the entire interest in and to said invention and said application, and to any Letters patent or Patents, to be obtained therefor and thereon.

NOW, THEREFORE, in consideration of good and sufficient consideration, the receipt of which is hereby acknowledged, the Assignor has sold, assigned, transferred, and set over, and by these presents does sell, assign, transfer, and set over, unto the Assignee, its successors, legal representatives, and assigns the entire interest in and to the above-mentioned invention, and application for Letters Patent of the United States, and any and all Letters Patent or Patents of the United States of America that may be granted therefor and thereon, and in and to any and all continuation and divisional applications claiming priority to said application, and reissues and extensions of said Letters Patent or Patents, the same to be held and enjoyed by the Assignee, for its own use and behalf and the use and behalf of its successors, legal representatives, and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted as fully and entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment not been made;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of these presents, the Assignor is the sole and lawful owner of the entire right, title, and interest in and to the invention and said application, and that the same are unencumbered, and that the Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND the Assignor hereby requests the Commissioner of Patents to issue any and all said Letters Patent of the United States to the Assignee, as the Assignee of said invention and the Letters Patent to be issued thereon.
