PATENT ASSIGNMENT

We, Robert Adams and Jared Hanlon (hereinafter designated as the "Assignors"), with our address being 10455 Slusher Drive, Santa Fe Springs, California, U.S.A., in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, agree to assign, and hereby do assign, transfer, and set over to Pull'R Holding Company (hereinafter designated as the "Assignee"), whose address for purposes of this Assignment is 1000 Greenleaf Avenue, Elk Grove Village, IL 60007, U.S.A., our entire right, title, and interest in and to the invention tentatively entitled and described as "PULLING TOOL". It is hereby acknowledged that the Assignee intends to so execute and file an application for patent in the United States Patent and Trademark Office.

(1.) Assignors, by these presents does sell, assign, transfer, and set over to the Assignee, their full, exclusive, and entire right, title, and interest in and to the Invention and/or any improvements of Assignors thereto, along with any and all Patents that may be granted therefor in the United States, and elsewhere in the world.

(2.) Assignors agree to review and execute all papers necessary or prudent in connection with each application to protect the Invention and/or any improvements of Assignors thereto, regardless of the form of said application, and also to review and execute separate assignments in connection with any such application(s) as the Assignee may deem necessary or expedient.

(3.) Assignors agree to review and execute all papers necessary or prudent in connection with any interference which may be declared concerning any application relating to the Invention and/or any improvements of Assignors thereto, regardless of the form of said application, and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with any such interference.

(4.) Assignors agree to review and execute all papers and documents and perform any act which may be necessary or prudent in connection with the claims or provisions of the International Convention for Protection of Industrial Property, the General Agreement on Tariffs and Trade, or any other similar agreements.

(5.) Assignors agree to perform all affirmative acts that may be necessary or prudent to obtain a grant of valid patent(s) to the Assignee relating to the Invention and/ or any improvements of Assignors thereto.

(6.) Assignors hereby authorize and request the Commissioner of Patents and Trademarks, and all similarly situated foreign officials, to issue any and all Letters Patent(s) resulting from said application(s), regardless of the form of
