ASSIGNMENT

WHEREAS, Compac Design, Ltd., an Ontario corporation, having a place of business at 42 Wentworth Court, Unit 1, Brampton, Ontario (hereinafter referred to as the "Assignor"), is the owner of the certain right, title, and interest in and to inventions or improvements in:

BOTTLE

Application No: 29/324,613 Filing Date: September 16, 2008

WHEREAS, Safety-Kleen Systems, Inc., a Wisconsin corporation, having a place of business at 5360 Legacy Drive, Plano, Texas 75024 (hereinafter referred to as the "Assignee"), is desirous of acquiring Assignor's right, title, and interest in and to said invention, to the application above identified, and in, to, and under Letters Patent that may be obtained for said invention, and to other applications or patents covering said invention, as hereinafter more fully set forth;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that, for valuable consideration, the receipt and sufficiency of which is hereby acknowledged by Assignor, Assignor has sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto Assignee the entire right, title, and interest for the United States in and to the invention and application hereinabove identified, and in and to any and all nonprovisional, divisional, continuation, continuation-in-part, reissue, or reexamination applications, and in and to any Letters Patent of the United States that may issue (or reissue) for said invention on any one or more of said applications, together with the entire

right, title, and interest in and to said invention and related or counterpart applications for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including the right to claim priority under the International Convention for the Protection of Industrial Property and other agreements and treaties of like purpose; to have and to hold for the sole and exclusive use and benefit of Assignee, its successors and assigns, to the full end of the term or terms for which any and all of said Letters Patent for said invention may issue.

And Assignor does hereby covenant and agree, for himself and his legal representatives, that they will assist Assignee in the prosecution of any of the applications herein referred to; in the making and prosecution of any other applications for Letters Patent that Assignee may elect to make covering the invention herein referred to, including any nonprovisional, divisional, continuation, or continuation-in-part application; or any application to reexamine or reissue any patent referred to herein; in vesting in Assignee exclusive title in and to all applications and Letters Patent referred to herein; and in the prosecution of any interference, infringement or other action which may arise involving said invention or any claim thereto or thereunder, or any application or Letters Patent herein referred to; and he will execute and deliver to Assignee any and all additional papers which may be requested by Assignee to vest title in Assignee in the United States and in countries foreign thereto, and will otherwise fully carry out the terms of this agreement.

And the Commissioner of Patents and Trademarks is hereby authorized and requested to issue Letters Patent to Assignee in accordance with the terms of this Assignment.

Assignor hereby authorizes and requests the attorneys of record in the application bearing the abovementioned docket number to insert in this assignment the U.S. application number of said application when officially known, if applicable.

IN WITNESS WHEREOF, the undersigned representative of Assignor, being properly authorized to execute this Agreement, hereunto sets their hand and affixes their seal.
