Address of Assignor: Level 12, Electrical and Electronic Engineering Building,
Imperial College, London, SW7 2AZ, Great Britain

Assignee's Name: Exploramcd NC4, Inc.

State of Incorporation of Assignee: Delaware

Address of Assignee: 2570 W. El Camino Real, Suite 310, Mountain View, CA
94040

Patent(s) and Patent Application(s) Assigned: United States Patent Application
Serial No. **10/675,855**, entitled "Bone Fixated, Articulated Joint Load Control
Device" claiming priority to PCT Application No. PCT/GB02/00844 filed February
27, 2002

1. In consideration of the sum of \$1.00 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned Assignor agree(s) to sell, assign and transfer and does (do) hereby sell, assign and transfer to the above-named Assignee, its successors and assigns, the entire and exclusive right, title and interest in and to the inventions claimed and described in United States Patent Application Serial No. **10/675,855**, entitled "Bone Fixated, Articulated Joint Load Control Device" in the United States and throughout the world, and in and to any applications for patent and patents which may be granted and issued thereon in any and all countries, and in and to any continuations, divisions, reissues and extensions of said application(s) and patent(s) and all international priority rights associated therewith. The undersigned agree(s) to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

2. The undersigned agree(s) to execute all papers necessary in connection with any interference which may be declared concerning this application or continuation or division thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

3. The undersigned agree(s) to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

4. The undersigned agree(s) to perform all affirmative acts which may be necessary to obtain a grant of a valid United States patent to the Assignee.

5. The undersigned hereby represent(s) and warrant(s) that no other assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

6. The undersigned hereby authorize and request the Commissioner of Patents to issue any and all Letters Patents of the United States resulting from said application or

any division or divisions or continuing applications thereof to the Assignee, as Assignee of the entire interest, and hereby covenant that they have full right to convey the entire interest herein assigned, and that they have not executed any agreement in conflict herewith.

7. The undersigned hereby grant John V. Hanley, Reg. No. 38,171 and Earl A. Bright II, Reg. No. 37,045, the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
