ASSIGNMENT OF PATENTS & PATENT APPLICATIONS

Whereas, I, Sivagar Natarajan, residing at 3242 Pomariane Lane, Norcross, GA 30392, (hereinafter designated as "Assignor"), a citizen of the India, have invented certain new and useful improvements in **BIOS IDENTIFICATION, INITIALIZATION AND MANAGEMENT** (hereinafter referred to as the "Invention"), for which an application for a United States Patent to be filed by Myers & Kaplan, Intellectual Property Law, LLC; and,

Whereas, **American Megatrends, Inc.** (hereinafter designated as "Assignee"), is desirous of acquiring the entire right, title, and interest in said Invention;

Now, Therefore, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration from the Assignee, the receipt and sufficiency of which is hereby acknowledged by the Assignor:

(1) I/We, the Assignor(s), by these presents do sell, assign, transfer, and set over to the Assignee, my full, exclusive, and entire right, title, and interest in and to the Invention, along with any and all Patents which may be granted therefor in the United States, and elsewhere in the world.

(2) I/We, the Assignor(s), agree to review and execute all papers necessary or prudent in connection with each application and/or patent to protect the Invention, regardless of the form of said application and/or patent, and also to review and execute separate assignments in connection with any such application(s) and/or patent(s) as the Assignee may deem necessary or expedient.

(3) I/We, the Assignor(s), agree to review and execute all papers necessary or prudent in connection with any interference which may be declared concerning any application and/or patent relating to the Invention, regardless of the form of said application and/or patent, and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with any such interference.

(4) I/We, the Assignor(s), agree to review and execute all papers and documents and perform any act which may be necessary or prudent in connection with the claims or provisions of the International Convention for Protection of Industrial Property, the General Agreement on Tariffs and Trade, or any other similar agreements.

(5) I/We, the Assignor(s), agree to perform all affirmative acts which may be necessary or prudent to obtain a grant of valid patent(s) to the Assignee relating to the Invention.

(6) I/We, the Assignor(s), hereby authorize and request the Commissioner of Patents and Trademarks, and all similarly situated foreign officials, to issue any and all Letters Patent(s) resulting from said application(s), regardless of the form of said application(s), to the said Assignee, as Assignee of the entire right, title, and interest in and to the same for the Assignee's sole use, benefit, and behoof, and for
