ASSIGNMENT OF PATENT

WHEREAS, Steedman Liddell Bass of Cambridge, Massachusetts ("Assignor"), is the owner of the following United States Letter(s) Patent, and the invention(s) set forth therein, as shown by the records of the United States Patent and Trademark Office:

Registration Number	Title	Inventors
US 7,243,573	Folding handlebar	Steedman Liddell Bass Mark A. Sanders

WHEREAS, BikeLink International, LLC of Cambridge, Massachusetts ("Assignee") is desirous of acquiring the entire right, title and interest in and to the Invention(s), any and all patent applications thereon, and any and all patent(s) issuing therefrom;

NOW, therefore, in consideration of the sum of one United States dollar and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by Assignor, Assignor has sold, assigned, transferred and set over, and by these presents hereby sells, assigns, transfers and sets over to Assignee, the entire right, title, and interest in and to said invention(s) in the United States and any and all foreign countries, and the entire right, title and interest in and to any and all patent applications and Letters Patent listed above and all related patents and patent applications, including any and all divisional, continuation, continuation-in-part, reissues or extensions thereof, to be held and enjoyed by Assignee for its own use as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made; the Commissioner of Patents and Trademarks of the United States of America is hereby authorized to transfer the portion of the title indicated to said Patent(s) to said Assignee in accordance herewith; this assignment being under covenant, not only that full power to make the same is had by the Assignor, but also that such assigned rights are not encumbered by any grant, license, or other right theretofore given; Assignor hereby undertakes to execute and deliver to Assignee any and all other documents and instruments that, in the opinion of the Assignee and its counsel, are appropriate in order to obtain patents and other means of protecting the Invention(s), execute and deliver all such other instruments and take all other actions that in the opinion of the Assignee and its counsel may be appropriate or necessary to vest in the Assignee (or in such person as the Assignee may specify) all right, title and interest in said patent(s) and other means of protecting the Invention(s); and cooperate and assist in any litigation by or against the Assignee with respect to the same.

IN WITNESS WHEREOF, the parties have
be executed under seal as of this 25 day of
Boston, Massachusetts.
