PATENT ASSIGNMENT

WHEREAS, 3M Company (formerly doing business as Minnesota Mining and Manufacturing Company) ("3M"), a corporation of the State of Delaware, and having its principal offices at St. Paul, Minnesota, owns the patents listed on Schedule A attached ("Patents") hereto, and

WHEREAS, Imation Corp. a corporation organized and existing under the laws of the State of Delaware, and having its principal offices at Oakdale, Minnesota, ("Imation") is desirous of acquiring the entire right, title and interest in and to the Patents from 3M;

NOW, THEREFORE, for good and valuable consideration to 3M by Imation, the receipt and sufficiency of which is hereby acknowledged, 3M, effective as of July 1, 1996, has sold, assigned and transferred unto Imation, its successors and assigns, the entire right, title and interest in and to the Patents.

Upon Said Consideration, 3M does hereby covenant and agree that it will not execute any writing or do any act whatsoever conflicting with these presents, and that its successors and assigns will, at any time upon request, without further or additional consideration, but at the expense of Imation, its successors and assigns, execute such additional writings and do such additional acts as Imation, its successors and assigns, may deem necessary or desirable to perfect Imation's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or Patents.

In Witness Whereof, said 3M has, through its duly authorized agent executed this document on this 27th day of June, 2005.
