**AMENDED AND RESTATED  
PATENT AND TRADEMARK SECURITY AGREEMENT**

This Amended and Restated Patent and Trademark Security Agreement (this "Agreement"), dated as of April 9, 2008, is made by and among **ULTRA PRO CORPORATION**, a California corporation ("Ultra Pro"), **HANOVER ACCESSORIES, LLC**, a Delaware limited liability company ("Hanover"), **PLYMOUTH INTERNATIONAL, LLC**, a Delaware limited liability company ("Plymouth"), **COURAGE INTERNATIONAL, INC.**, a Delaware corporation ("Courage International"); and together with Ultra Pro, Hanover, and Plymouth, individually and collectively, as appropriate, "Borrower"), **SIEMENS FIRST CAPITAL COMMERCIAL FINANCE, LLC** ("SFCCF"), as administrative agent and a lender, and **FCC, LLC D/B/A FIRST CAPITAL WESTERN REGION, LLC** ("FCC"), as a lender.

Recitals

Borrowers and Lenders are parties to that certain Amended and Restated Loan and Security Agreement dated April 9, 2008 (as the same may hereafter be amended, supplemented or restated from time to time, the "Loan Agreement") setting forth the terms on which Lenders may now or hereafter extend credit to or for the account of Borrowers.

Certain of the entities that comprise Borrowers and certain Lenders are parties to that certain Patent and Trademark Security Agreement dated as of July 19, 2007 (the "Original Agreement"), and as a condition to Lenders continuing to extend credit to or for the account of Borrowers, Borrowers Agent and Lenders have agreed to amend and restate the Original Agreement.

ACCORDINGLY, in consideration of the mutual covenants contained in the Loan Documents and herein, the parties hereby agree as follows:

1. Definitions. All terms defined in the Recitals hereto or in the Loan Agreement that are not otherwise defined herein shall have the meanings given to them in the Loan Agreement. In addition, the following terms have the meanings set forth below:

"Obligations" means each and every debt, liability and obligation of every type and description arising under or in connection with any Loan Document which each Borrower may now or at any time hereafter owe to Lenders, whether such debt, liability or obligation now exists or is hereafter created or incurred and whether it is or may be direct or indirect, due or to become due, absolute or contingent, primary or secondary, liquidated or unliquidated, independent, joint, several or joint and several, and including specifically, but not limited to, the Obligations (as defined in the Loan Agreement).

"Patents" means all of each Borrower's right, title and interest in and to patents or applications for patents, fees or royalties with respect to each of the foregoing items, and including without limitation the right to sue for past infringement and

damages therefor, and licenses thereunder, all as presently existing or hereafter arising or acquired, including without limitation the patents listed on **Exhibit A**.

"Security Interest" has the meaning given in Section 2.

"Trademarks" means all of each Borrower's right, title and interest in and to: (i) trademarks, service marks, collective membership marks, registrations and applications for registration for each of the foregoing items, and the respective goodwill associated with each, (ii) licenses, fees or royalties with respect to each, (iii) the right to sue for past, present and future infringement, dilution and damages therefor, (iv) and licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the marks listed on **Exhibit B**.

2. Security Interest. Each Borrower hereby irrevocably grants to Agent on behalf of Lenders a security interest (the "Security Interest") with power of sale to the extent permitted by law, in the Patents and in the Trademarks to secure payment of the Obligations. As set forth in the Loan Agreement, the Security Interest is coupled with a security interest in substantially all of the personal property of each Borrower. This Agreement grants only the Security Interest herein described, is not intended to and does not affect any present transfer of title of any trademark registration or application and makes no assignment and grants no right to assign or perform any other action with respect to any intent to use trademark application, unless such action is permitted under 15 U.S.C. § 1060.

3. Representations, Warranties and Agreements. Each Borrower represents, warrants and agrees as follows:

(a) Patents. **Exhibit A** accurately lists all Patents owned or controlled by such Borrower as of the date hereof, or to which such Borrower has a right as of the date hereof to have assigned to it, and accurately reflects the existence and status of applications and letters patent pertaining to the Patents as of the date hereof. If after the date hereof, such Borrower owns, controls or has a right to have assigned to it any Patents not listed on **Exhibit A**, or if **Exhibit A** ceases to accurately reflect the existence and status of applications and letters patent pertaining to the Patents, then such Borrower shall within 30 days provide written notice of such fact to Agent and the Administrative Borrower shall within such 30 day period deliver to Agent with a replacement **Exhibit A**, which upon acceptance by Agent shall become part of this Agreement.

(b) Trademarks. **Exhibit B** accurately lists all Trademarks owned or controlled by such Borrower as of the date hereof and accurately reflects the existence and status of Trademarks and all applications and registrations pertaining thereto as of the date hereof; provided, however, that **Exhibit B** need not list common law marks (i.e., Trademarks for which there are no applications or registrations) which are not material to Borrower's or any Affiliate's business(es). If after the date hereof, such Borrower owns or controls any Trademarks not listed on **Exhibit B** (other than common law marks which are not material to Borrower's or any Affiliate's business(es)), or if **Exhibit B** ceases to accurately reflect the existence and status of applications and registrations pertaining to

the Trademarks, then such Borrower shall promptly provide written notice of such fact to Agent and the Administrative Borrower shall within such 30 day period deliver to Agent with a replacement **Exhibit B**, which upon acceptance by Agent shall become part of this Agreement.

(c) **Affiliates.** As of the date hereof, no Affiliate of such Borrower owns, controls, or has a right to have assigned to it any items that would, if such item were owned by such Borrower, constitute Patents or Trademarks. If after the date hereof any Affiliate of such Borrower owns, controls, or has a right to have assigned to it any such items, such Borrower shall promptly either: (i) cause such Affiliate to assign all of its rights in such item(s) to such Borrower; or (ii) notify Agent of such item(s) and cause such Affiliate to execute and deliver to Agent a patent and trademark security agreement substantially in the form of this Agreement.

(d) **Title.** The Borrower identified as the owner of each Patent and Trademark on **Exhibits A and B** has absolute title to each Patent and each Trademark listed thereon, free and clear of all Liens except Permitted Liens. Such Borrower (i) will have, at the time such Borrower acquires any rights in Patents or Trademarks hereafter arising, absolute title to each such Patent or Trademark free and clear of all Liens except Permitted Liens, and (ii) will keep all Patents and Trademarks free and clear of all Liens except Permitted Liens.

(e) **No Sale.** No Borrower will assign, transfer, encumber or otherwise dispose of the Patents or Trademarks, or any interest therein, without Agent's prior written consent.

(f) **Defense.** Each Borrower will, at its own expense and using commercially reasonable efforts, protect and defend the Patents and Trademarks against all claims or demands of all Persons other than those holding Permitted Liens.

(g) **Maintenance.** Each Borrower will at its own expense maintain the Patents and the Trademarks to the extent reasonably advisable in its business including, but not limited to, filing all applications to obtain letters patent or trademark registrations and all affidavits, maintenance fees, annuities, and renewals possible with respect to letters patent, trademark registrations and applications therefor. Each Borrower covenants that it will not abandon nor fail to pay any maintenance fee or annuity due and payable on any Patent or Trademark, nor fail to file any required affidavit or renewal in support thereof, without first providing Agent: (i) sufficient written notice, of at least 30 days, to allow Lenders to timely pay any such maintenance fees or annuities which may become due on any Patents or Trademarks, or to file any affidavit or renewal with respect thereto, and (ii) a separate written power of attorney or other authorization to pay such maintenance fees or annuities, or to file such affidavit or renewal, should such be necessary or desirable.

(h) **Agent's and Lenders' Right to Take Action.** If any Borrower fails to perform or observe any of its covenants or agreements set forth in this Section 3, and if such failure continues for a period of ten (10) calendar days after Agent gives

Administrative Borrower written notice thereof (or, in the case of the agreements contained in subsections (g) and/or (h), immediately upon the occurrence of such failure, without notice or lapse of time), or if any Borrower notifies Agent that they intend to abandon a Patent or Trademark, Agent may (but need not) perform or observe such covenant or agreement or take steps to prevent such intended abandonment on behalf and in the name, place and stead of Borrower (or, at Agent's option, in Agent's own name) and may (but need not) take any and all other actions which Agent may reasonably deem necessary to cure or correct such failure or prevent such intended abandonment.

(i) **Costs and Expenses.** Except to the extent that the effect of such payment would be to render any loan or forbearance of money usurious or otherwise illegal under any applicable law, Borrowers shall pay Agent or Lenders on demand the amount of all moneys expended and all costs and expenses (including reasonable attorneys' fees and disbursements) incurred by Agent or Lenders in connection with or as a result of Agent's taking action under this Agreement, together with interest thereon from the date expended or incurred by Agent or Lenders at the default rate of interest provided for in the Loan Agreement.

(i) **Power of Attorney.** To facilitate Agent's taking action under subsections (g) and/or (h) and exercising its rights under Section 6, each Borrower hereby irrevocably appoints (which appointment is coupled with an interest) Agent, or its delegate, as the attorney-in-fact of such Borrower with the right (but not the duty) from time to time to create, prepare, complete, execute, deliver, endorse or file, in the name and on behalf of such Borrower, any and all instruments, documents, applications, financing statements, and other agreements and writings required to be obtained, executed, delivered or endorsed by such Borrower under this Section 3, or, necessary for Agent, after a Default, to enforce or use the Patents or Trademarks or to grant or issue any exclusive or non-exclusive license under the Patents or Trademarks to any third party, or to sell, assign, transfer, pledge, encumber or otherwise transfer title in or dispose of the Patents or Trademarks to any third party. Borrowers hereby ratify all that Agent as their attorney-in-fact shall lawfully do or cause to be done by virtue hereof. The power of attorney granted herein shall terminate upon the termination of the Loan Agreement as provided therein and the payment and performance of all Obligations.

4. **Borrowers' Use of the Patents and Trademarks.** Each Borrower shall be permitted to control and manage such Borrower's Patents and Trademarks, including the right to exclude others from making, using or selling items covered by the Patents and Trademarks and any licenses thereunder, in the same manner and with the same effect as if this Agreement had not been entered into, so long as no Default exists.

5. **Defaults.** Each of the following occurrences shall constitute an event of default under this Agreement (herein called a "Default"): (a) a Default, as defined in the Loan Agreement, shall occur; or (b) any Borrower shall fail promptly to observe or perform any covenant or agreement herein binding on it; or (c) any of the representations or warranties contained in Section 3 shall prove to have been incorrect in any material respect when made.

6. Remedies. While a Default exists, Agent may, at its option, take any or all of the following actions:

(a) Agent may exercise any or all remedies available under the Loan Agreement.

(b) Agent may sell, assign, transfer, pledge, encumber or otherwise dispose of the Patents and Trademarks.

(c) Agent may enforce the Patents and Trademarks and any licenses thereunder, and if Agent shall commence any suit for such enforcement, Borrower shall, at the request of Agent, do any and all lawful acts and execute any and all proper documents required by Agent in aid of such enforcement.

7. Entire Agreement. This Agreement embodies the entire agreement and understanding between Agent, Lender and Borrowers and supersedes all prior agreements (including the Original Agreement) and understandings relating to the subject matter hereof.

8. Miscellaneous. This Agreement can be waived, modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by Agent. A waiver signed by Agent shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of Agent's or Lenders' rights or remedies. All rights and remedies of Agent and Lenders shall be cumulative and may be exercised singularly or concurrently, at Agent's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to nor bar the exercise or enforcement of any other right or remedy. All notices to be given to Borrowers under this Agreement shall be given to Administrative Borrower in the manner and with the effect provided in the Loan Agreement. Agent shall not be obligated to preserve any rights any Borrower may have against prior parties, to realize on the Patents and Trademarks at all or in any particular manner or order, or to apply any cash proceeds of Patents and Trademarks in any particular order of application. This Agreement shall be binding upon and inure to the benefit of Borrowers, Agent and Lenders and each of their respective participants, successors and assigns and shall take effect when signed by Borrowers and delivered to Agent, and each Borrower waives notice of Lenders' acceptance hereof. Agent and Lenders may execute this Agreement if appropriate for the purpose of filing, but the failure of Agent or Lenders to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A photographic or other reproduction of this Agreement or of any financing statement authorized by the Borrowers shall have the same force and effect as the original for all purposes of a financing statement. This Agreement shall be governed by the internal law of California without regard to conflicts of law provisions. If any provision or application of this Agreement is held unlawful or unenforceable in any respect, such illegality or unenforceability shall not affect other provisions or applications which can be given effect and this Agreement shall be construed as if the unlawful or unenforceable provision or application had never been contained herein or prescribed hereby. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the Obligations.

9. Joint and Several Liability. Borrowers are jointly and severally liable to Agent and Lenders for all Obligations arising under this Agreement.

10. Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, AGENT, BORROWERS AND LENDERS HEREBY IRREVOCABLY AND EXPRESSLY WAIVE ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM (WHETHER BASED UPON CONTRACT, TORT, OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT, THE OBLIGATIONS OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY OR ANY PARTY'S ACTIONS IN THE NEGOTIATION, ADMINISTRATION, OR ENFORCEMENT HEREOF OR THEREOF. AGENT, EACH BORROWER AND EACH LENDER ACKNOWLEDGES THAT SUCH WAIVER IS MADE WITH FULL KNOWLEDGE AND UNDERSTANDING OF THE NATURE OF THE RIGHTS AND BENEFITS WAIVED HEREBY, AND WITH THE BENEFIT OF ADVICE OF COUNSEL OF ITS CHOOSING.

11. Judicial Reference.

(i) The parties prefer that any dispute between them be resolved in litigation subject to a Jury Trial Waiver as set forth in **Section 10** herein, but the California Supreme Court has held that such pre-dispute jury trial waivers are unenforceable. This Section will be applicable until: (i) the California Supreme Court holds that a pre-dispute jury trial waiver provision similar to that contained in **Section 10** herein is valid or enforceable; or (ii) the California Legislature passes legislation and the governor of the State of California signs into law a statute authorizing pre-dispute jury trial waivers and as a result such waivers become enforceable.

(ii) Other than the exercise of provisional remedies (any of which may be initiated pursuant to applicable law), any controversy, dispute or claim (each, a "Claim") between the parties arising out of or relating to this Agreement will be resolved by a reference proceeding in California in accordance with the provisions of Section 638 et seq. of the California Code of Civil Procedure ("CCP"), or their successor sections, which shall constitute the exclusive remedy for the resolution of any Claim, including whether the Claim is subject to the reference proceeding. Venue for the reference proceeding will be in the Superior Court or Federal District Court in Los Angeles County, California (the "Court").

(iii) The referee shall be a retired Judge or Justice selected by mutual written agreement of the parties. If the parties do not agree, the referee shall be selected by the Presiding Judge of the Court (or his or her representative). A request for appointment of a referee may be heard on an *ex parte* or expedited basis, and the parties agree that irreparable harm would result if *ex parte* relief is not granted. The referee shall be appointed to sit with all the powers provided by law. Pending appointment of the referee, the Court has power to issue temporary or provisional remedies.

(iv) The parties agree that time is of the essence in conducting the reference proceedings. Accordingly, the referee shall be requested, subject to change in the time periods specified herein for good cause shown, to (a) set the matter for a status and trial-setting

conference within forty-five (45) days after the date of selection of the referee, (b) if practicable, try all issues of law or fact within one hundred twenty (120) days after the date of the conference and (c) report a statement of decision within twenty (20) days after the matter has been submitted for decision.

(v) The referee will have power to expand or limit the amount and duration of discovery. The referee may set or extend discovery deadlines or cutoffs for good cause, including a party's failure to provide requested discovery for any reason whatsoever. Unless otherwise ordered based upon good cause shown, no party shall be entitled to "priority" in conducting discovery, depositions may be taken by either party upon ten (10) days written notice, and all other discovery shall be responded to within twenty (20) days after service. All disputes relating to discovery which cannot be resolved by the parties shall be submitted to the referee whose decision shall be final and binding.

(vi) Except as expressly set forth in this Agreement, the referee shall determine the manner in which the reference proceeding is conducted including the time and place of hearings, the order of presentation of evidence, and all other questions that arise with respect to the course of the reference proceeding. All proceedings and hearings conducted before the referee, except for trial, shall be conducted without a court reporter, except that when any party so requests, a court reporter will be used at any hearing conducted before the referee, and the referee will be provided a courtesy copy of the transcript. The party making such a request shall have the obligation to arrange for and pay the court reporter. Subject to the referee's power to award costs to the prevailing party, the parties will equally share the cost of the referee and the court reporter at trial.

(vii) The referee shall be required to determine all issues in accordance with existing case law and the statutory laws of the State of California. The rules of evidence applicable to proceedings at law in the State of California will be applicable to the reference proceeding. The referee shall be empowered to enter equitable as well as legal relief, provide all temporary or provisional remedies, enter equitable orders that will be binding on the parties and rule on any motion which would be authorized in a trial, including without limitation motions for summary judgment or summary adjudication. The referee shall issue a decision pursuant to CCP Section 644 the referee's decision shall be entered by the Court as a judgment or an order in the same manner as if the action had been tried by the Court. The final judgment or order or from any appealable decision or order entered by the referee shall be fully appealable as provided by law. The parties reserve the right to findings of fact, conclusions of laws, a written statement of decision, and the right to move for a new trial or a different judgment, which new trial, if granted, is also to be a reference proceeding under this provision.

(viii) If the enabling legislation which provides for appointment of a referee is repealed (and no successor statute is enacted), any dispute between the parties that would otherwise be determined by reference procedure will be resolved and determined by arbitration.

THE PARTIES RECOGNIZE AND AGREE THAT ALL DISPUTES RESOLVED UNDER THIS REFERENCE PROVISION WILL BE DECIDED BY A REFEREE AND NOT BY A JURY. AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR OWN CHOICE, EACH PARTY KNOWINGLY AND VOLUNTARILY AND FOR THEIR MUTUAL BENEFIT AGREES THAT THIS REFERENCE PROVISION WILL APPLY TO ANY DISPUTE BETWEEN THEM WHICH ARISES OUT OF OR IS RELATED TO THIS AGREEMENT.
