**DECLARATION OF HILARY VIEIRA**

1. I am a co-inventor of the invention claimed in the above-identified patent, filed on November 19, 2001, which claims priority to U.S. Provisional Patent Application No. 60/249,251, filed on November 17, 2000.
2. I am over 18 years of age.
3. The other co-inventor listed for the above-identified patent is Viraf Kapadia.
4. I jointly own the entire right, title and interest in the above-identified patent.
5. I have not assigned my joint ownership rights in the above-identified patent.
6. In September 2008, I was contacted on behalf of Safe Landing Systems, Inc. and presented with an assignment document that allegedly bears my signature and purports to assign my "full and exclusive right, title and interest" to the invention to Safe Landing Systems, Inc.
7. The assignment document was submitted to the United States Patent and Trademark Office and recorded on April 4, 2002 at Reel 012765/Frame 0902.
8. Upon inspection of the assignment document, it is evident that my purported signature is forged.

HW

9. I have not assigned my joint ownership rights in the above-identified patent to Safe Landing Systems, Inc. or any other entity.
10. I hereby maintain my joint ownership interest in the above-identified patent and hereby notify the world that the assignment document recorded at Reel 012765/Frame 0902 is fraudulent and ineffective to assign my joint ownership interest in the above-identified patent.

I hereby declare that all statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true and, further that willful false statements are punishable by fine or imprisonment or both, under 18 U.S.C. § 1001 and that such willful false statements may jeopardize the validity of the patent issued thereon

Oct 2<sup>nd</sup>, 2008.
