ASSIGNMENT

44 Old Marlboro Rd

I, Marc P. Cryan of 34 Douglas Avenue, Apartment 3,
Maynard, MA 01754, having invented improvements in BIOELECTRODE
and having executed an application for United States patent
describing the same and based thereon (and I hereby authorize my
attorney(s), authorized to prosecute said application, to here
insert the filing date and serial number of said application,
when known, Serial No. 29/322,895, filed 08/14/2008), for good
and valuable consideration, receipt of which is hereby
acknowledged from NeuroMetrix, Inc., a Delaware corporation
having a place of business at 62 Fourth Avenue, Waltham, MA
02451, hereinafter called the Assignee (which term shall include
its successors and assigns), do hereby sell, assign and transfer
unto the Assignee my entire right, title, and interest, in and
throughout the United States of America (including its
territories and dependencies) and all countries foreign thereto,
in and to and under said application (which term shall include
hereinafter where the context so admits all divisional,
continuing, reissue and other patent applications based thereon)
and the inventions (which term shall include each and every such
invention, or any part thereof) therein described, and any and
all patents and like rights of exclusion (including extensions
thereof) of any country which may be granted on or for said
inventions or on said application.

And for the same consideration I do also hereby sell,
assign and transfer unto the Assignee all my rights under the
International Convention for the Protection of Industrial
Property and all other treaties of like purpose in respect of
said inventions and said application and I do hereby authorize
the Assignee to apply in my name or its own name for patents and
like rights of exclusion on or for said inventions in all
countries, claiming (if the Assignee so desires) the priority of
the filing date of said application under the provisions of said
Convention or any such other treaty;

And for the same consideration I do hereby jointly and
severally agree for myself and for my respective heirs,
executors and administrators, promptly upon request of the
Assignee, to execute and deliver without further compensation
any power of attorney, assignment, original, divisional,
continuing, reissue or other application or applications for
patent or patents or like rights of exclusion of any country, or
other lawful documents and any further assurances that may be
deemed necessary or desirable by the Assignee fully to secure to
