ASSIGNMENT

Whereas, We, Scott C. Landrum, a citizen of the United States, residing at 550 N. Peytonville Avenue, Southlake, TX 76092, and T. Christopher King, residing at 4132 Capstone Drive, Keller, TX 76248, having made an invention in WIND TURBINE BLADE RAILROAD TRANSPORTATION SYSTEM AND METHOD ornamental design identified by docket number TTS-003 and having, on even date herewith, executed an application for Letters Patent of the United States of America based thereon;

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, we have agreed to assign and transfer and do hereby assign and transfer together unto Transportation Technology Services, Inc., a Texas corporation, having its principle office at 1723 E. Southlake Blvd., Suite 100, Southlake, TX 76092 (hereinafter "TTS"), its successors and assigns, the entire right, title and interest in and to the said invention and application, and in and to any division, continuation or continuation-in-part, of said application, and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made;

We do further agree for ourselves and for our heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as we lawfully may, that may be deemed necessary by the said TTS, its successors, assigns, and nominees, fully to secure their interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

ASSIGNMENT

And we do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of the said applications, to the said TTS, as the assignee of the entire interest therein.

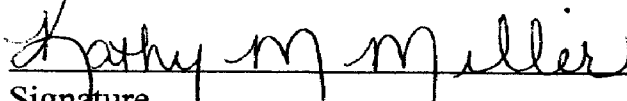

In witness whereof, we have hereunto signed my name on the date and year set forth below.
