PATENT ASSIGNMENT

WHEREAS, Fire-Trol (Yukon) Company, a Canadian corporation (“Fire-Trol”), owns the entire right, title and interest in and to the pending patent application for *Corrosion-Inhibited Ammonium Polyphosphate Fire Retardant Compositions*, Application No. 11/589,749; and

WHEREAS, ICL Performance Products, LP, a limited liability company of the State of Delaware having its principal office and place of business at 622 Emerson Road, St. Louis, MO 63141 is desirous of acquiring all of Fire-Trol’s right, title and interest in and to the above-referenced application and any invention(s) disclosed or claimed therein (hereinafter the “Inventions”).

NOW THEREFORE, in consideration of these premises, the covenants and obligations set forth below, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Fire-Trol has sold, assigned and transferred, and hereby does, sell, assign and transfer unto ICL Performance Products, LP the entire right, title and interest in and to the Inventions, including priority rights, and any and all other domestic or foreign patent applications which ICL Performance Products, LP or its successors or assigns may file on said Inventions and in any and all U.S. and foreign patents which may be obtained on any of said applications and in any reissue, continuation or extension thereof, together with the right to sue for, and recover for, any past infringements thereof, to be held and enjoyed by ICL Performance Products, LP, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Fire-Trol had no sale and assignment of said Inventions been made.

2. In the event that ICL Performance Products, LP is unable for any reason to secure the signature of Fire-Trol, or a duly authorized representative thereof, to any document reasonably required to file, prosecute, register, or memorialize the assignment of the right, title and interest assigned hereunder, hereby irrevocably designates and appoints ICL Performance Products, LP and ICL Performance Products, LP's duly authorized officers and agents as Fire-Trol's agents and attorneys-in-fact to act for and on Fire-Trol's behalf and instead of Fire-Trol: (i) to execute, file, prosecute, register and memorialize the assignment of any such application, (ii) to execute and file any documentation required for such enforcement, and (iii) to do all other lawfully permitted acts to further the filing, prosecution, registration, memorialization of assignment, issuance, and enforcement of said assigned right, title and interest, all with the same legal force and effect as if executed by Fire-Trol.

IN WITNESS WHEREOF, the undersigned has caused its duly authorized representative to execute this assignment as of the 25 day of Sept, 2008.
