PATENT

ASSIGNMENT OF INVENTION

Whereas, BRYAN CAHILL, an individual residing at 142 Oxford Avenue, Lindsay, California, 93247, and DEBORAH UNSER, an individual residing at 142 Oxford Avenue, Lindsay, California, 93247, (hereinafter referred to collectively as "Assignors") have invented a certain invention entitled: ELECTRICAL GRIPPING TESTING AND INSTALLATION DEVICE,

for which a patent application is filed herewith, and

--or--

for which a patent application was filed in the United States on October 7, 2004, having a serial number of 10/961,358, and which issued as a United States Patent number 7,302,753 on December 4, 2007, and

Whereas, PLUGGRIP PRODUCTS, LLC, a California Limited Liability Corporation, having a place of business at 257 South Fremont Drive, Lindsay, California, 93247 (hereafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest in and to said application (hereinafter referred to as "Application"), and the invention disclosed therein (hereinafter referred to as "Invention"), and in and to all embodiments of the Invention, heretofore conceived, made or discovered by said Assignors, and in and to any and all patents, inventor's certificates and other forms of protection (hereinafter referred to as Patents) thereon granted in any and all countries and groups of countries.

Now, therefore, in consideration of good and valuable consideration acknowledged by said Assignors to have been received in full from said Assignee:

1. Said Assignors hereby sell, assign, transfer and convey to Assignee the full and exclusive right, title and interest (a) in and to said Application and said Invention; (b) in and to all rights to apply for patents on said Invention in any and all countries pursuant to the International Convention for the Protection of Industrial Property or otherwise, including the right to claim priority; (c) in and to any and all Applications filed and any and all Patents granted on said Invention in any and all countries and groups of countries, including each and every Application filed and each and every Patent granted on any application which is a division, renewal, substitution, or continuation of said Application; and (d) in and to each and every reissue, reexamination or extension of any of said Patents.

2. Said Assignors hereby covenant and agree to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right, title and interest to said Invention herein conveyed in any and all countries and groups of countries. Such cooperation by said Assignors shall include prompt production of pertinent facts and documents, giving testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any of said applications; (c) for filing and prosecuting substitute, divisional, continuing or additional applications covering said Invention; (d) for filing and prosecuting applications for reissuance of any of said Patents; (e) for interference or other priority proceedings involving said Invention; and (f) for legal proceedings involving said Invention and any application therefore and any Patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, reexaminations, infringement actions and court actions;

provided, however, that the expense incurred by said Assignors in providing such cooperation shall be paid for by said Assignee.

3. The term and covenants of this agreement shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon said Assignors, their respective heirs, legal representatives and assigns.

4. Said Assignors hereby warrant and represent that they have not entered and will not enter into any assignment, contract, or understanding in conflict herewith.

In Witness Whereof, the said Assignors have executed and delivered this instrument to Assignee on the dates indicated below.
