**ASSIGNMENT**

**TO WHOM IT MAY CONCERN:**

Robin Stevenson, Pei-Chung Wang and Michael J. Karagoulis of General Motors Corporation, and Hai-Lung Tsai University of Missouri, co-invented the patentable inventions contained in the patent application entitled "Method and Apparatus for Improving Cooling of Resistance of Welding Cap" which was filed in the United States Patent and Trademark Office on October 4, 2005 and assigned Serial No.11/242,736 (the "Patent Application") and issued as US Patent 7,265,313 on September 4, 2007;

For good and valuable consideration previously paid to me by virtue of my employment relationship with The Curators of the University of Missouri, I, Hai-Lung Tsai, a citizen of the United States of America, having a place of residence at 122 Tommey Hall, Rolla MO 65409, have sold, assigned and transferred and by these presents do sell, assign, transfer and set over unto The Curators of the University of Missouri, having a place of business at 316 University Hall, Columbia MO 65211, its successors, legal representatives, or assigns, the entire right, title and interest in and to a certain invention relating to "Method and Apparatus for Improving Cooling of Resistance of Welding Cap" and the related application for United States Patent, identified above, including, without limitation, all provisional patent applications, and all original and reissue patents granted thereof (in the United States and any foreign country), and all divisions, and continuations thereof, including the subject matter of any and all claims which may be obtained in every such patent, and all foreign rights to said invention, and covenant that I have full right to do so, and agree that I will communicate to said institution or its representatives all facts known to me respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, make all rightful oaths and generally do everything possible to aid said institution, its successors, assigns and nominees, to obtain and enforce proper patent protection for said invention in all countries.

The Commissioner of Patents and Trademarks is requested to issue the Letters Patent which may be granted for said certain invention or any part thereof in the names of General Motors Corporation and The Curators of the University of Missouri, as joint co-owners of the Patents.

Done at Rolla, Missouri, this 5<sup>th</sup> day of Sept, 2008.
