ASSIGNMENT

WHEREAS, the undersigned, hereinafter referred to as Assignor, has invented

SOLENOID PLUNGER CORE SEAL

for which a United States Utility Patent Application, U.S. Serial No. 12/251,495 was
filed on October 15, 2008; and

WHEREAS, **Freudenberg-NOK General Partnership**, having a place of business at
47690 East Anchor Court, Plymouth, Michigan 48170, hereinafter referred to as Assignee, is
desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt whereof is hereby
acknowledged, Assignor by this written document does sell, assign and transfer unto Assignee
and its successors in interest, the full and exclusive right in the United States of America and all
foreign countries, including the right to claim priority under the laws of the United States and the
Paris Convention, to the said invention described above, said invention and all United States
applications for patent and all Letters Patent therefor to be held and enjoyed by Assignee to the
full end of the term for which said Letters Patent are granted and any extensions thereof as fully
and entirely as the same would have been held by Assignor had this assignment and sale not
been made; and Assignor hereby covenants and agrees to execute all instruments or documents
required or requested for the making and prosecution of United States application for patent and
all foreign countries on, for litigation regarding, or for the purpose of protecting title to the said
invention, the United States application for patent, or Letters Patent therefore for the benefit of
Assignee without further or other compensation than that above set forth; and Assignor hereby
requests the Commissioner of Patents and Trademarks to issue said Letters Patent of the United
States of America to Assignee.
