thereof. Debtor authorizes Lender to modify this Agreement by adding from time to time an Exhibit B, which Exhibit B will include any such future Collateral and applications, and Debtor will execute and deliver to Lender from time to time such supplemental assignments or other instruments as Lender may desire for the purpose of confirming and perfecting Lender's interest in such Collateral. In no event will Debtor, either itself or through any agent, employee, licensee or designee, file an application for the issuance of any patent or the registration of any trademark with the United States Patent and Trademark Office, or for any copyright registration with the United States Copyright Office, or any office or agency of the United States or any State thereof or of any other country or any political subdivision thereof, or enter into any license, unless it promptly informs Lender, and, upon request of Lender, executes and delivers any and all agreements, instruments, documents, and papers necessary to and perfect Lender's security interest in such Collateral for which registration has been applied and the good will and other intellectual property and related general intangibles of Debtor relating thereto or represented thereby, and Debtor hereby constitutes Lender as its attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power being coupled with an interest and irrevocable until the Obligations are indefeasibly paid in full and this Agreement is terminated.

- 8.7** Debtor will take all necessary steps, including, without limitation, in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any appropriate office or agency in any state or in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and except otherwise provided herein, to maintain each registration of the Collateral, including, without limitation, filing of applications for renewal, payment of maintenance fees, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings.
- 8.8** If any of the Collateral is infringed, misappropriated, diluted or otherwise used or returned without authorization by a third party, Debtor will promptly notify Lender after Debtor learns thereof and will take such actions as are reasonable under the circumstances to protect such Collateral.
- 8.9** Debtor, at its sole cost and expense, will (a) appear in and defend any action arising out of, or in any manner connected with, any of the Collateral or the obligations or liabilities of Debtor thereunder, (b) continue to use consistent standards of quality consistent with historical practice in its manufacture of products sold under the Collateral and will allow Lender by its agents to inspect such products and quality control records relating thereto in accordance with the provisions of the Loan Agreement, and (c) allow Lender by its agents reasonable access to the books and records of Debtor relating to the Collateral.
- 8.10** Except as otherwise provided herein, Debtor will not (a) sell, assign, pledge or otherwise transfer or encumber all or any part of its interest in any of the Collateral,

(b) grant any license under any of the Collateral (other than licenses to marketing and distribution agents in the ordinary course of business consistent with past practices), or (c) enter into any agreement which is inconsistent with Debtor's obligations under this Agreement; provided that Debtor may license the Collateral (i) in the ordinary course of Debtor's business, if and only if such license is necessary or desirable in the conduct of Debtor's business; or (ii) in connection with any sale of assets expressly in the documents evidencing the Obligations, if and only if such license is on terms reasonably expected to maximize the gain to Debtor resulting from the granting of such license. Lender will execute any documents that Debtor may reasonably require in order to permit Debtor to exercise its rights hereunder to license the Collateral; provided that in no event will Lender be required to do anything that may, in the commercially reasonable judgment of Lender, result in adversely affecting the lien granted hereunder or the assignment of the Collateral located in any foreign jurisdiction.

9. **Payment of Expenses by Lender.** Lender, in its reasonable discretion, may discharge taxes, liens, security interests or such other encumbrances as may attach to the Collateral, may pay for the maintenance and preservation of the Collateral, as reasonably determined by Lender to be necessary. Debtor will reimburse Lender promptly after demand for any payment so made or any expense incurred by Lender pursuant to the foregoing authorization, and the Collateral also will secure any advances or payments so made or out-of-pocket expenses so incurred by Lender.
10. **Collections.** After the occurrence of an Event of Default that is continuing, as defined below, if directed by Lender, whenever Debtor receives any payment with respect to any of the Collateral it will hold such payment in trust for Lender and forthwith will deliver to Lender the same in the form received by Debtor without commingling with any funds belonging to Debtor, and promptly will deposit the same in a special collateral account with Lender.
11. **Notification of Third Parties.** Lender, at any time after the occurrence of an Event of Default that is continuing, and without notice to Debtor, may notify any persons who are indebted to Debtor with respect to any Collateral of the assignment thereof to Lender and may direct such persons to make payment directly to Lender of the amounts due. At the request of Lender after the occurrence of an Event of Default, Debtor will direct any persons who are indebted to Debtor with respect to any Collateral to make payment directly to Lender. Lender is authorized to give receipts to such persons for any such payments and such persons will be protected in making such payments to Lender.
12. **Execution of Appropriate Documentation with Respect to Collateral.** With respect to any and all of the Collateral, Debtor agrees to do and cause to be done all things necessary to perfect, maintain the priority of and keep in full force and effect the security interest granted by Debtor to Lender, including, but not limited to, the prompt payment upon demand therefor by Lender of all reasonable fees and out-of-pocket expenses (including documentary stamp, excise or intangibles taxes) incurred in connection with the preparation, delivery, or filing of any document or the taking of any action deemed necessary or appropriate by Lender to perfect, protect, or enforce a security interest in any

of the Collateral for the benefit of Lender, subject only to Permitted Liens. All amounts not so paid when due will be added to the Obligations and (in addition to other rights and remedies resulting from such non-payment) will bear interest from the date of demand until paid in full at the Default Rate. Debtor also authorizes Lender to file one or more financing statements as necessary (including but not limited to any correction statements as set forth more fully in UCC Section 9-518), which financing statements lists or otherwise describes the Collateral as consisting of all of Debtor's assets or words to that effect, regardless of the actual description of the Collateral set forth in this Agreement. Debtor hereby ratifies any filing by Lender that predates the date of this Agreement but that was intended to perfect the security interest granted hereby.

13. **Receivers.** Upon or at any time after the occurrence and continuation of an Event of Default, Lender may request the appointment of a receiver of the Collateral. Such appointment may be made without notice, and without regard to (i) the solvency or insolvency, at the time of application for such receiver, of the person or persons, if any, liable for the payment of the Obligations; and (ii) the value of the Collateral at such time. Such receiver will have the power to take possession, control and care of the Collateral and to collect all accounts resulting therefrom. Notwithstanding the appointment of any receiver, trustee, or other custodian, Lender will be entitled to the possession and control of any cash, or other instruments at the time held by, or payable or deliverable under the terms of this Security Agreement to Lender.

14. **Default.**

14.1 Upon the occurrence of any Event of Default, Lender may exercise any one or more of the rights and remedies granted pursuant to this Agreement or given to a secured party under applicable law, as it may be amended from time to time, including but not limited to: (i) the right to take possession and sell, lease or otherwise dispose of the Collateral; (ii) at its option, operate, use or exercise any rights of ownership pertaining to the Collateral as Lender deems necessary to preserve the value and receive the benefits of the Collateral; (iii) exercise any and all rights and remedies of Debtor under, in connection with, or otherwise in respect of, such Collateral, including the completion and filing of the IP Assignment; and (iv) license such Collateral or any part thereof. Upon the occurrence and continuation of an Event of Default, Lender may, so far as Debtor can give authority therefor, enter upon any premises on which the Collateral or any part thereof may be situated and take possession of and remove the same therefrom. Lender may require Debtor to make the Collateral available to Lender at a place to be designated by Lender that is reasonably convenient to both parties.

14.2 Debtor further agrees that, in the event of any disposition of the Collateral upon an Event of Default, Debtor will duly execute, acknowledge and deliver all documents necessary that has occurred and is continuing or advisable to record title to the Collateral in any transferee or transferees thereof, including, without limitation, valid, recordable assignments of registrations and/or applications for registration of all Trademarks, Copyrights, Patents and Trade Secrets. Debtor hereby irrevocably appoints Lender as its attorney-in-fact, with full power of substitution, to execute,

deliver, and record such documents on Debtor's behalf upon the occurrence of an Event of Default. For the purposes of enabling Lender to exercise its rights and remedies upon an Event of Default, Debtor hereby grants to Lender an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to Debtor) to use, assign, license or sublicense any of the Collateral, now owned or hereafter acquired by Debtor, and wherever the same may be located.

- 14.3 The net proceeds arising from the disposition of the Collateral after deducting expenses incurred by Lender will be applied to the Obligations in the order determined by Lender. If any excess remains after the discharge of all of the Obligations, the same will be promptly paid to Debtor or as required by law. If after exhausting all of the Collateral, there should be a deficiency, Debtor will be liable therefor to Lender; provided, however, that nothing contained herein will obligate Lender to proceed against the Collateral prior to making a claim against Debtor or any other party obligated under the Obligations or prior to proceeding against any other collateral for the Obligations.
- 14.4 Whenever notice is required by law to be sent by Lender to Debtor of any sale, lease or other disposition of the Collateral, five days written notice sent to Debtor's address set forth herein for notices will be reasonable.
- 14.5 The rights and remedies provided herein are cumulative and are not exclusive of any other rights or remedies provided by applicable law.
15. **Enforcement Actions.** To the extent permitted by applicable law, Lender may, but will in no way be obligated to, bring suit in its own name to enforce the Collateral and any license thereunder. If Lender elects to bring any such suit in its own name, Debtor will at the request of Lender do any and all lawful acts and execute any and all proper documents required by Lender in aid of such enforcement, including but not limited to joining with Lender in the commencement and maintenance of such suit, and agreeing to be named as a party therein, and Debtor will promptly, upon demand, reimburse and indemnify Lender for all costs and expenses incurred by Lender in the exercise of its rights under this Section.
16. **Lender's Duties.** The powers conferred on Lender hereunder are solely to protect the interest of Lender in the Collateral, and will not impose any duty upon Lender to exercise any such powers. Except for the same custody of any Collateral in Lender's possession and the accounting for moneys actually received by Lender hereunder, Lender will have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against other parties or any other rights pertaining to any Collateral. Lender will be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if such Collateral is accorded treatment substantially equal to that which Lender accords its own similar property.
17. **Obligations, Indemnifications, and Expenses.** If Debtor fails to comply with any of its obligations hereunder, Lender may, but will not be obligated to, do so at the expense of

Debtor. To the extent that Lender incurs any out-of-pocket costs or out-of-pocket expenses in protecting or enforcing its rights in the Collateral or observing or performing any of the conditions or obligations of Debtor hereunder, including but not limited to reasonable attorneys' fees and the out-of-pocket costs and out-of-pocket expenses of litigation, such costs and expenses will be due on demand, will be included in the indebtedness secured hereby and will bear interest from the incurring or payment thereof at the highest Default Rate as defined in any of the Obligations. Debtor will indemnify and hold Lender harmless against (a) all expenses, liabilities, actual losses and actual damages that Lender may incur under the Collateral or under or by reason of this Agreement, and (b) all claims and demands whatsoever that may be asserted against Lender by reason of this Agreement or any act of Lender under this Agreement or under any of the Collateral.

- 18. Lender's Power of Attorney.** Debtor hereby irrevocably constitutes and appoints Lender, and any officer thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Debtor or in its name, from time to time in Lender's discretion for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments necessary to accomplish the purposes of this Agreement and, without limiting the generality of the foregoing, Debtor hereby gives Lender the power and right, on behalf of Debtor, after an Event of Default that has occurred and is continuing, and without notice to or assert by Debtor, to do the following:
- 18.1** to receive payment of, endorse, and receipt for, any and all monies, claims and other amounts due and to become due at any time in respect of or arising out of the Collateral;
  - 18.2** to commence and prosecute any suits, actions or proceeding at law or in equity in any court of competent jurisdiction to collect any of the Collateral and to enforce any other right in respect of the Collateral;
  - 18.3** to settle, compromise or adjust any suit, action or proceeding described above, and, in connection therewith, to give such discharges or releases as Lender may deem appropriate;
  - 18.4** to execute, in connection with the sale provided for in Section 14 hereof, any endorsement, assignments or other instruments of conveyance or transfer with respect to the Collateral; and
  - 18.5** generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Lender were the absolute owner thereof for all purposes, and to do, at Lender's option, at any time, or from time to time, all acts and things necessary to protect or preserve the Collateral and Lender's security interest and rights therein in order to effect the intent of this Agreement, all as fully and effectively as Debtor might do.

Debtor hereby ratifies all that such attorneys will lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest, will be irrevocable and

will terminate only upon payment in full of the Obligations and the termination of all financing arrangements relating thereto and this Agreement. Lender will have no obligation to preserve any rights of any third parties in the Collateral or to perform any duties or obligations of any Debtor under or with respect to any of the Collateral. Lender will be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it, any of its affiliates nor any of its agents will be responsible to Debtor for any action taken or omitted to be taken in good faith or in reliance on the advice of counsel except for its own gross negligence or willful misconduct.

**19. General.**

- 19.1 Waiver.** No delay or omission on the part of Lender to exercise any right or power arising from any default or Event of Default will impair any such right or power or be considered a waiver of any such right or power or a waiver of any such default or Event of Default or an acquiescence therein nor will the action or non-action of Lender in case of such Default or Event of Default impair any right or power arising as a result thereof or affect any subsequent default or any other default of the same or a different nature.
- 19.2 Notices.** All notices, demands, requests, consents, approvals and other communications required hereunder will be given in the manner specified in the Loan Agreement.
- 19.3 Successors and Assigns.** This Agreement will be binding upon and inure to the benefit of Debtor and Lender and their respective successors and assigns; provided, however, that Debtor may not assign this Agreement in whole or in part without the prior written consent of Lender, and Lender at any time may assign this Agreement in whole or in part. All references herein to "Debtor" and "Lender" will be deemed to apply to Debtor and Lender and their respective heirs, administrators, successors and assigns.
- 19.4 Modifications.** No modification or waiver of any provision of this Agreement nor consent to any departure by Debtor therefrom, will be established by conduct, custom, or course of dealing; and no modification, waiver or consent will in any event be effective unless the same is in writing and specifically refers to this Agreement, and then such waiver or consent will be effective only in the specific instance and for the purpose for which given. No notice to or demand on Debtor in any case will entitle Debtor to any other or further notice or demand in the same, similar or other circumstance.
- 19.5 Joint and Several Obligations.** If this Security Agreement is executed by one or more person or entity as the "Debtor," the obligations of such persons or entities will be joint and several. Unless otherwise specified herein, any reference to "Debtor" will mean each such person or entity executing this Security Agreement individually and all of such persons or entities collectively.

- 19.6 **Illegality.** If fulfillment of any provision hereof or any transaction related hereto or of any provision of this Agreement, at the time performance of such provision is due, involves transcending the limit of validity prescribed by law, then ipso facto, the obligation to be fulfilled will be reduced to the limit of such validity.
- 19.7 **Headings.** The headings in this Agreement are for convenience only and will not limit or otherwise affect any of the terms hereof.
- 19.8 **Counterparts.** This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed will be deemed to be an original and all of which taken together will constitute one and the same agreement. Any party so executing this Agreement by facsimile transmission shall promptly deliver a manually executed counterpart, provided that any failure to do so shall not affect the validity of the counterpart executed by facsimile transmission.
- 19.9 **Definitions.** Capitalized terms used in the Exhibits hereto and herein and not otherwise defined will be given the definitions set forth in the Loan Agreement, and if not defined therein, in the Uniform Commercial Code in force and effect in the State indicated in the Governing Law section of this Agreement
- 19.10 **Governing Law.** This Agreement has been delivered and accepted at and will be deemed to have been made at Cincinnati, Ohio and will be interpreted and the rights and liabilities of the parties hereto determined in accordance with the laws of the State of Ohio, without regard to conflicts of law principles.
- 19.11 **Jurisdiction.** *Debtor hereby irrevocably agrees and submits to the exclusive jurisdiction of any state or federal court located within Franklin County, Ohio, Hamilton County, Ohio, or, at the option of Lender in its sole discretion, of any state or federal court(s) located within any other county, state or jurisdiction in which Lender at any time or from time to time chooses in its sole discretion to bring an action or otherwise exercise a right or remedy, and Debtor waives any objection based on forum non conveniens and any objection to venue of any such action or proceeding.*
- 19.12 **Waiver of Jury Trial.** *The parties hereto each waive any right to trial by jury in any action or proceeding relating to this Agreement, the Obligations, the Collateral, or any actual or proposed transaction or other matter contemplated in or relating to any of the foregoing.*
