## ASSIGNMENT

WHEREAS, I, David L. Bender, a citizen of the United States, residing at 2212 Rustic Park Court, Thousand Oaks, CA 91362, (hereinafter "Assignor"), have made certain new and useful inventions and improvements for which I have filed the following patent application:

U.S Patent Application Serial Number 10/ 525,824, filed January 17, 2008 entitled:  
SYSTEM FOR CONTINUOUS GROWING OF MONOCRYSTALLINE SILICON

AND WHEREAS, Solaicx, Inc., corporation organized and existing under and by virtue of the laws of the State of California, and having an office and principal place of business at 5102 Calle del Sol, Santa Clara, CA 95054 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefor;

NOW THEREFORE, for one dollar and other good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, Assignor has agreed to and do hereby sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest in and to all inventions and improvements disclosed in the aforesaid patent application, and in and to the application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of the United States, or other countries which may be granted therefrom; and Assignor does hereby authorize and request the Commissioner of Patents for the United States to issue any and all Letters Patent for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, Assignor does hereby agree that its executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things that may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore Assignor covenants and agrees with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others, and that the full right to convey the same as herein expressed is possessed by Assignor.

IN WITNESS WHEREOF, the Assignor has caused this Assignment to be executed as of the date set forth on the following signature page.

Subscribed and executed at Santa Clara, CA
