ASSIGNMENT

Louise Campbell, residing at Gothersgade 54, baghuset 2. sal, 1123 Copenhagen K, Denmark a citizen of Denmark (hereafter the undersigned); is the inventor of

LAMP / "SNOW"

for which the undersigned executed an application for United States Design Patent, U.S. Design Patent Application No. 29/306,073, filed April 1, 2008.

Louis Poulsen Lighting A/S, a corporation, having a principal place of business at Gammel Strand 28, 1202 Copenhagen K, Denmark (hereafter referred to as the assignee), is desirous of acquiring the entire right, title, and interest in said invention, all applications for, and all design patents issued on said invention.

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, intending to be legally bound, does hereby sell, assign, and transfer to the assignee and assignee's successors, assigns, and legal representatives the entire right, title, and interest in said invention and all design patent applications thereon, including, but not limited to, the application for United States Design Patent entitled as above, and all divisions and continuations thereof, and in all design patents, including all reissues and reexaminations thereof, throughout the world, including the right to claim priority.

It is agreed that the undersigned shall be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention throughout the world for the benefit of the assignee, and to execute all instruments proper to carry out the intent of this instrument.

The undersigned warrants that the rights and property herein conveyed are free and clear of any encumbrance.

EXECUTED on this 9 day of October, 2008  
at Goaulagan  
(Place)

  
Louise Campbell
