ASSIGNEE: DWC Enterprises, LLC
6600 NE 72nd Circle
Vancouver, Washington 98661

Whereas I, the above-identified inventor have made an invention entitled a SMOKELESS TOBACCO CONTAINER HOLDER for which on even date herewith I executed an application for United States letters patent;

And, whereas I desire to assign my entire right, title and interest in and to said invention to the above-identified Assignee, and whereas said Assignee desires to acquire all of my right, title and interest in and to said invention;

Now, therefore, for good and valuable consideration, the full receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby;

I hereby assign, sell and transfer my entire right, title and interest in and to said invention in the United States and in all foreign countries, including said patent application and any divisions, continuations, continuations-in-part and foreign or international applications based thereon, and any letters patent to be issued therefor in the United States or any foreign country and any re-issues or extensions that may be made or granted thereon, unto said Assignee;

And I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Letters Patent to said Assignee, as assignee of the whole right, title and interest thereto;

And I further agree to execute all necessary and lawful future documents, including assignments in favor of Assignee, or its designees as Assignee or its Assignees may from time-to-time present to me in order to perfect title in said Invention, modifications, and improvements in said Invention, applications and Letters Patent of the United States and countries foreign thereto;

And I further agree to sign and properly execute such necessary and lawful papers for application for foreign patents, for filing divisions, continuations and continuations-in-part of

said application for patent, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid Invention, as the Assignee thereof shall hereafter require and prepare at its own expense.
