## ASSIGNMENT

WHEREAS, Owen Woodruff Bunker II (the "Assignor") having invented a certain new and useful invention for a "DOOR SYSTEM FOR A BUILDING" for which an application for Letters Patent of the United States is being filed herewith, said application being identified as Tuff Shed Door patent application in the offices of Webb Lewis & Meyers LLC.

WHEREAS, Tuff Shed, Inc. 1777 S. Harrison St., Suite 600, Denver, CO (the "Assignee") is desirous of acquiring the entire right, title and interest in and to the aforesaid invention and application for Letters Patent in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the agreement between said Assignor and said Assignee and other good and valuable consideration, receipt whereof is hereby expressly acknowledged, the aforesaid Assignor hereby sell, transfer and set over, subject to the terms of said prior agreement, to the said Assignee, successors, legal representatives and assigns, the entire right, title and interest in and to the aforesaid invention and the aforesaid application, for the territory of the United States of America and for all foreign countries, and to all Letters Patents, divisions, continuations, continuations-in-part, substitutions, reissues, reexaminations and extensions to be obtained therefor; and further agree to cooperate with the said Assignee hereunder in the obtaining and the sustaining of any or all such Letters Patent but at the expense of the said Assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with this Assignment, to the said Assignee, his successors, legal representatives and assigns, as the Assignee of the entire right, title and interest therein.

Further, the Assignor agrees to communicate to said Assignee, or its representatives any facts known to us respecting said invention, and testify in any legal proceedings, sign all lawful papers, execute all division, continuation, continuation-in-part, substitution, reissue, reexamination and extension applications, execute all necessary

assignment paper to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths and generally do everything necessary or desirable to aid said Assignee its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

This Assignment is executed by the undersigned as of the respective date set forth below to be effective as of the respective date set forth below.
