ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I, Sergey N. Bezryadin of San Francisco, California hereby sell, assign and transfer to Unified Color Technologies, LLC, a California corporation, having a place of business at 21 Airport Blvd., Suite F, South San Francisco, CA 94080, its successors and assigns, the entire right, title and interest throughout the United States of America in my invention in

REPRESENTATION AND QUANTIZATION OF DIGITAL IMAGES AND EVALUATION OF COLOR DIFFERENCES

for which I have executed a United States patent application on or about the date of this assignment, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; I agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and I request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 27 day of October, 2008.
