ASSIGNMENT

WHEREAS, we, ARTHUR MILLICAN of Granite Falls, County of Snohomish ,
State of Washington, and JONATHAN FLETCHER of Tekoa, County of Whitman, State of
Washington, have invented certain new and useful improvements in

EXTENSIBLE METHOD AND SYSTEM FOR PERFORMING MANAGEMENT
OPERATIONS ON KNOWN AND UNKNOWN TARGETS

for which we are about to make or have made application for Letters Patent of the United States;
and

WHEREAS, INTERMEC IP CORP., a corporation duly organized under the laws
of the State of Delaware, and having its principal place of business at 6001 36th Avenue West,
Everett, County of Snohomish, and State of Washington (98203-1264), is desirous of acquiring
an interest in, to and under said invention, said application and any and all Letters Patent which
may be granted for or upon said invention in the United States of America and all countries
foreign thereto;

NOW, THEREFORE, to all whom it may concern, be it known that for good and
valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we,
ARTHUR MILLICAN and JONATHAN FLETCHER, have sold, assigned and transferred, and
by these presents do sell, assign and transfer unto said INTERMEC IP CORP. the full and
exclusive right, title and interest, throughout the world, in, to and under said invention as fully
set forth and described in the specification prepared and executed by us on even date herewith
preparatory to obtaining Letters Patent of the United States therefor; in, to and under said
application; in, to and under any and all refilings, divisions and continuations of said application;
in, to and under any and all Letters Patent of the United States of America which may issue from
said application, refilings, divisions and continuations; in, to and under any and all reissues of

said Letters Patent of the United States of America; in, to and under any and all applications for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America; in, to and under any and all refilings, divisions and continuations of said foreign-filed applications; in, to and under any and all Letters Patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions and continuations; and in, to and under any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America, the same to be held and enjoyed by said INTERMEC IP CORP. for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and we do hereby authorize and request the Commissioner of Patents to issue the said Letters Patent in accordance with this assignment.
