ASSIGNMENT

Whereas, we,

Jay I. Hulscher, of: 41053 135th St Waseca MN 56093; and
(Number and Street, or P.O. Box, City and State, ZIP Code)

Greg D. Finnes, of: 23355 616th St Mantorville MN 55955,
(Number and Street, or P.O. Box, City and State, ZIP Code)

have invented and own a certain invention entitled:

SYSTEM AND METHOD FOR A FORWARDER HEADBOARD

for which invention we have executed an application for a U.S. patent, which was filed on
October 29, 2008, under U.S. Application No 12/260,732, and

Whereas, Caterpillar Forest Products Inc., of 100 N.E. Adams, Peoria, IL 61629-6490,
hereinafter referred to as Assignee, is desirous of acquiring the entire domestic and foreign right,
title, and interest in and under the invention described in the patent application

Now, therefore, for good and valuable considerations, the receipt and sufficiency of
which are hereby acknowledged, we assign and transfer to the Assignee and the Assignee's legal
representatives, successors and assigns the full and exclusive rights in and to the invention in the
U.S. and every foreign country and the entire right, title, and interest in and to the patent
application and other such applications (e.g., provisional applications, non-provisional
applications, continuations, continuations-in-part, divisionals, reissues, reexaminations, National
phase applications, including petty patent applications, and utility model applications) that may
be filed in the United States and every foreign country on the invention, and the patents,
extensions, or derivations thereof, both foreign and domestic, that may issue thereon, and we
hereby authorize and request the Commissioner of Patents to issue U.S. patents to the above-
mentioned Assignee agreeably with the terms of this assignment document

We hereby authorize the Assignee to insert in this assignment document the filing date
and application number of the application if the date and number are unavailable at the time this
document is executed

In re Application of: Hulscher et al.
Attorney Docket No. 703590
CAT Reference No. 08-1000

Upon said consideration, we convey to the Assignee the right to make application in its own behalf for protection of the invention in the U.S. and countries foreign to the U.S. and to claim under the Patent Cooperation Treaty, the International Convention and/or other international arrangement for any such application the date of the U.S. application (or any other application on the invention) to gain priority with respect to other applications

We hereby covenant and agree with the Assignee that we will not execute any writing or do any act whatsoever conflicting with the terms of this assignment document set forth herein, and that we will at any time upon request, without further or additional consideration, but at the expense of the Assignee, execute such additional assignments and other writings and do such additional acts as the Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this assignment, and render all necessary assistance in making application for and obtaining original, continuation, continuation-in-part, divisional, reissued, reexamined, and National phase patents of the U.S. or of any and all foreign countries on the invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, and by executing statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of all parties hereto.

In witness whereof, we have hereunder set our hands on the dated shown below
