and described in an application for Letters Patent of the United States which is filed concurrently herewith
and was executed by me in and to said application, and all divisions, renewals and continuations thereof, and all
Letters Patent of the United States which may be granted thereon, and all reissues and extensions thereof, and all
applications for Letters Patent or other grants of protection of proprietary rights including, but not limited to,
inventor's certificate, utility model, utility certificate, patent of importation, registration of patent and industrial
design registration which may be filed, and which may be granted, upon said inventions in any countries or regions
foreign to the United States, and all reissues, renewals and extensions thereof; and I hereby authorize and request
the Commissioner for Patents and Trademarks of the United States, and all officials of countries or regions foreign
to the United States having authority to do so, to issue all such Letters Patent or other grants of protection upon said
inventions to the Assignee or to such nominees as it may designate.

AND I authorize and empower the said Assignee or nominees to invoke and claim for any application for
such Letters Patent or other grants of protection for said inventions filed by it or them, the benefit of the right of
priority provided by the international Convention for the Protection of Industrial Property, as amended, or by a
convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further
written or oral authorization from me.

AND I hereby consent that a copy of this assignment shall be deemed a full and formal equivalent of any
assignment, consent to file or like document which may be required in any country or region for any purpose and
more particularly in proof of the right of the said Assignee or nominees to claim the aforesaid benefit of the right of
priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any
convention which may henceforth be substituted for it.

AND I hereby covenant that I have the full right to convey the entire right, title and interest herein assigned
and that I have not executed and will not execute any agreement in conflict herewith.

AND I hereby covenant and agree that I will communicate to said Assignee or nominees all facts known to me pertaining to said inventions, and testify in all legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and declarations and in general perform all lawful acts necessary or proper to aid said Assignee or nominees in obtaining, maintaining, and enforcing all lawful patent or other grants of protection of said inventions in any and all countries and regions.
