ASSIGNMENT

This Assignment, effective as of October 24, 2008, is executed by DONALD GRONACHAN, an individual residing at 4 Spiral Road, Holtsville, NY 11742 and KEVIN FERGUSON, an individual residing at 8156 Campden Lakes Blvd., Dublin, OH 43016 (collectively "Assignors") in favor of MOTIVA LLC, an Ohio limited liability company having offices at 8156 Campden Lakes Blvd., Dublin, OH 43016 (hereinafter "Assignee").

BACKGROUND

A. Assignors represent and warrant that they, collectively, are the sole owners of the entire right, title, and interest in and to the inventions and related patents, patent applications and related materials and embodiments thereof, all as listed on Schedule A hereto (collectively, the "Assigned Property").

B. Assignee desires to purchase Assignors' entire right, title, and interest in and to the Assigned Property.

ASSIGNMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged:

1. Assignment Generally. Assignors, by these presents do hereby irrevocably assign, transfer and convey to Assignee, its successors, legal representatives and assigns, the entire right, title, and interest throughout the world in, to, and under the Assigned Property, including all (a) inventions, (b) patents, (c) patent applications (including all patents that may be granted thereon), (d) all divisions, continuations, reissues, reexaminations, renewals, and extensions of such patents, and (e) all rights of priority under international conventions and applications for letters patent that may hereafter be filed for such inventions, applications and patents in any country or countries. Assignors retain no interest in the Assigned Property.

2. Assignment of Prior Claims. Assignors by these presents do hereby assign, transfer, and convey to Assignee, its successors, legal representatives and assigns, all claims for damages and all remedies arising out of any violation of the Assigned Property and other rights assigned hereby that may have accrued prior to the date of assignment to Assignee, or may accrue hereafter, including the right to sue for, collect, and retain damages for past, present or future infringements of all or any part of the Assigned Property.

3. Instruction. Assignors hereby authorize and request the Commissioner of Patents of the United States, and any official of any country foreign to the United States whose duty it is to issue patents on applications included in the Assigned Property, to issue all letters patent therefor and all letters patent resulting from the applications and the patents included in the Assigned Property, to Assignee, its successors, legal representatives and assigns, in accordance with the terms of this Assignment.

4. Further Assurances. Assignors agree to execute, deliver and record, without charge to but at the request and expense of Assignee, all additional papers, and take such additional actions, necessary or useful in order to give effect to the assignment of the Assigned Property as set forth in this Assignment and to otherwise carry out in good faith the intent and purpose of this Assignment. Without limiting the foregoing, Assignors will, for all countries, (a) provide to Assignee all facts known to Assignees relating to the Assigned Property and the history thereof; (b) testify in all legal proceedings and generally do everything possible which Assignee, its successors, legal representatives and assigns, shall consider desirable for aiding in securing, maintaining and enforcing the Assigned Property, including proper patent and other protections

for the Assigned Property and vesting all title to the Assigned Property in Assignee, its successors, legal representatives and assigns.

5. Title Representation. Assignors represent and warrant to Assignee, its successors, legal representatives and assigns, that, other than this Assignment, Assignors (a) have not made to others any assignment, grant, mortgage, license or other agreement affecting the Assigned Property and (b) have full right to convey the Assigned Property to Assignee as provided herein.

6. Miscellaneous. This Assignment and the enforcement hereof shall be governed by the laws of the state of New York, without regard to its provisions concerning the applicability of the laws of other jurisdictions. The words "include" and "including" and any list of items, will not be interpreted as exclusive or otherwise limiting. This Assignment may be executed in counterparts, each of which will be deemed an original and all of which, when taken together, will constitute one and the same instrument.

[End of Terms. Signatures follow.]
