First Named Inventor: CONTA, Mateo

Title: AN INTEGRATED CIRCUIT

WHEREAS, I/WE, **Matteo Conta** a citizen of Italy, residing at 29 Mirador, Irvine, CA 92612; and **Andrea Baschirotto**, a citizen of Italy, residing at Corso Alessandria 166, 15057 Tortona (AL), Italy, have invented certain new and useful inventions, as described in an application for Letters Patent of the United States, entitled "**AN INTEGRATED CIRCUIT**" which application may be identified in the United States Patent Office as a Nonprovisional Application, Serial No. 12/204,546, filed September 4, 2008; and

WHEREAS, **GloNav Limited**, having offices at O'Connell Bridge House – First Floor, D'Olier Street, Dublin 2, Ireland ("Assignee"), is desirous of acquiring the entire right, title and interest in and to the inventions, the application, and any and all Letters Patent or similar legal protection, foreign or domestic, to be obtained therefor;

WHEREAS, the undersigned acknowledges, in the event that any employment relationship exists or existed between the undersigned and Assignee that operates to give Assignee ownership of the aforementioned inventions, application or Letters Patents in any country, that such ownership did and continues to exist with the Assignee, and that such ownership is unaffected by this Assignment.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the undersigned hereby transfer and assign (to the extent not already transferred and assigned) to Assignee, its successors and assigns, the entire right, title, and interest in and to the inventions, the above-identified patent application, corresponding United States (US) applications (including provisionals, divisionals, continuations, continuations-in-part, reissues, reexaminations, substitutions and extensions thereof), corresponding non-US applications, all Letters Patent or similar legal protection issuing thereon (and absolute entitlement thereto), all rights and benefits under any applicable treaty or convention, all rights to apply for, prosecute, and obtain patents anywhere in the world, and all rights of action and damages for any past, present or future infringement relating thereto, including all rights of actions and damages from publication of the patent applications and/or issuance of any patent relating thereto;

The undersigned will not execute any writing or do any act whatsoever conflicting with these obligations, and will, at any time upon request, without further or additional consideration, execute such additional assignments and other writings and do such additional acts as Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining any original, divisional, continuation, continuation-in-part, reexamination, or reissue patent or application (or substitutions or extensions) of the United States or of any and all non-US countries on said inventions, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits (where said Assignee will reimburse the undersigned for reasonable expenses associated with such assistance). The foregoing covenant and agreement shall inure to the benefit of the assigns and legal representatives of the undersigned and Assignee; and the undersigned authorize the Commissioner of Patents and Trademarks of the United States or non-US equivalent thereof to issue the Letters Patent or similar legal protection to the Assignee.

The undersigned authorize the Assignee, its successors and assigns, or anyone it may properly designate, to insert in this instrument the filing date and application number of the application when ascertained. The undersigned authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all non-US countries.
