ASSIGNMENT AND AGREEMENT

For value received, I, Denis E. Burek of Cumming in the County of Forsyth and the State of Georgia, do hereby sell, assign and transfer to Furukawa Electric North America, Inc., a corporation of the State of Delaware, having an office at 2000 Northeast Expressway, Norcross, Georgia, 30071, U.S.A. and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **SYSTEM FOR SECURING FIBER OPTIC DEVICES IN MANAGEMENT TRAYS**, described in an application for Letters Patent of the United States executed by me concurrently, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Furukawa Electric North America, Inc., the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Furukawa Electric North America, Inc., to make application for such protection in its own name and to maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any of the benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Furukawa Electric North America, Inc., to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Furukawa Electric North America, Inc., in the United States and in all countries foreign to the United States, or to such nominees as Furukawa Electric North America, Inc., may designate.

I agree that, when requested, I shall, without charge to Furukawa Electric North America, Inc., but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
