PATENT ASSIGNMENT

WHEREAS, I CRAIG HENDRIE, ASSIGNOR, a citizen of the United Kingdom, residing at 2639 West Dallas Street, Houston, Texas 77019 and LUC DEBOER, ASSIGNOR, a citizen of The Netherlands, residing at 7516 Olympia, Houston, Texas 77063, are the inventors of the provisional application invention entitled DRILL STRING FLOW CONTROL VALVE, for which we have filed for a provisional patent application in the United States filed on April 21, 2006 as Serial No. 60/793,883 (the "Patent Application"); and

WHEREAS, DUAL GRADIENT SYSTEMS, LLC, a Texas limited liability company, ASSIGNEE, is desirous of obtaining the entire right, title and interest in, to and under the Patent Application and all technology described therein:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to the said ASSIGNORS, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, the said ASSIGNORS, hereby sell, assign, and transfer unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to the Patent Application and the technology described therein, including, without limitation, any invention described therein, and all United States or foreign non-provisionals, divisions, renewals and continuations thereof, and all Patents of the United States or any foreign country which may be granted thereon and all reissues thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said Patent Application or any other application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models and design which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND WE HEREBY authorize and request the Commissioner of Patents of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisions,
