ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged,
the undersigned:

2963 W SHAWNA PL, TUCSON 

Michael A. Hobson, 1050 S-Bill-Martin-Dr, Tucson, AZ 85745

David A. Milani, 7512 E Lee Place, Tucson, AZ 85715

hereby sell and assign to Raytheon Company, a corporation of Delaware, having a place of business at 870 Winter Street, Waltham, Massachusetts, 02451-1449, its successors and assigns, the entire right, title and interest, so far as concerns the United States and the Territories and Possessions thereof and all foreign countries, in and to the inventions entitled

TEST FIXTURE WITH HIGH-CURRENT ELECTRICAL CONNECTION

for which application for United States Letters Patent has been filed on November 21, 2008
under Serial No. 12/275,708, or was executed by the undersigned on the date
below and is being filed concurrently herewith, or is a provisional patent application filed
on _____ under Serial No. _____ or concurrently herewith,
said application for United States Letters Patent, any and all other applications for
Letters Patent on said inventions in countries foreign to the United States, including all
divisional, renewal, substitute, continuation and Convention applications based in whole
or in part upon said inventions or upon said applications, and any and all Letters Patent
and reissues and extensions of Letters Patent granted for said inventions or upon said
applications, and every priority right that is or may be predicated upon or arise from said
inventions, said applications and said Letters Patent; said assignee being hereby
authorized to file patent applications in any or all countries on any or all said inventions
in the name of the undersigned or in the name of said assignee or otherwise as said
assignee may deem advisable, under the International Convention or otherwise; the
Commissioner of Patents and Trademarks of the United States of America and the
empowered officials of all other governments being hereby authorized to issue or
transfer all said Letters Patent to said assignee in accordance herewith; this assignment
being under covenant, not only that full power to make the same is had by the
undersigned, but also that such assigned right is not encumbered by any grant, license,
or other right heretofore given, and that the undersigned will do all acts reasonably
serving to assure that said inventions, patent applications and Letters Patent shall be
held and enjoyed by said assignee as fully and entirely as the same could have been
held and enjoyed by the undersigned if this assignment had not been made, and
particularly to execute and deliver to said assignee all lawful documents including
petitions, specifications, oaths, assignments, invention disclaimers, and lawful affidavits
in form and substance which may be requested by said assignee, to furnish said
assignee with all facts relating to said inventions or the history thereof and any and all
documents, photographs, models, samples or other physical exhibits which may be
useful for establishing the facts of conception, disclosure and reduction to practice of
said inventions, and to testify in any proceedings relating to said inventions, patent
applications and Letters Patent.

I authorize the patent attorney of record and/or having power of attorney in the U.S. patent application identified above to insert the serial number and filing date information for the patent application in the appropriate spaces in this assignment document when that information becomes available.
