ASSIGNMENT

WHEREAS, new and useful improvements have been made by the undersigned in

CONDENSATION PUMP FOR ROOF-TOP AIR CONDITIONER

and are the subject of a patent application prepared for filing in the United States Patent and Trademark Office, and executed by the undersigned on the date(s) indicated below, which application is further identified as Pearne & Gordon LLP Docket No. **WDO-43995**.

WHEREAS, **DOMETIC LLC**, a Delaware limited liability company, having a place of business at **2320 INDUSTRIAL PARKWAY, P.O. BOX 490, ELKHART, IN 46515-0490, U.S.A.**, hereinafter referred to as "Assignee," is desirous of acquiring all right, title and interest throughout the United States and all foreign countries in, to and under said improvements and inventions and patent rights therefor.

NOW, THEREFORE, be it known that, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, all right, title and interest, in the United States and in all foreign countries in, to and under said improvements and inventions and all patents, patent applications, patent rights and inventor's certificates thereof, therefor and therein, including without limitation said application for patent in the United States, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all right to sue for past infringement thereunder, all patents which may be granted for said improvements and inventions by states or nations other than the United States, or by other authority, entity or organization, and all applications therefor, have been and are hereby sold, assigned, transferred and delivered unto Assignee, its successors and assigns; and it is covenanted and agreed by the undersigned, and for executors, administrators and legal representatives of the undersigned, that at Assignee's request any and all applications, affidavits, assignments and other instruments will be made, executed and delivered as may be necessary, or desirable to secure for or vest in Assignee, its successors or assigns, any improvement, inventions, right, title, interest, application, patent, patent right or other right or property covered by this assignment, and the United States Commissioner for Patents and Trademarks is hereby requested and authorized to issue any and all United States patents granted on any of said applications to Assignee as owner of the entire right, title and interest in, to and under the same, and appropriately empowered officials of foreign countries are hereby authorized to issue any letters patent granted on any of said applications to Assignee as owner of the entire right, title and interest in, to and under the same.

The undersigned hereby grants the firm of Pearne & Gordon LLP the power to insert on this assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
