ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned, James Gleeson, hereby:

SELLS, ASSIGNS AND TRANSFERS to James Hardie International Finance B.V. (the "Assignee"), a corporation having a place of business at Atrium 8th Floor, Strawinskylaan 3077, 1077 ZX Amsterdam, The Netherlands, the entire right, title and interest for the United States and all foreign countries in and to any and all improvements which are disclosed in the application for United States Letters Patent, identified as U.S. Design Application No. 29/324,748, which has been filed on September 19, 2008, and is entitled MOISTURE BARRIER, such application and all divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and all foreign countries and on any of such improvements; all original and reissued patents which have been or shall be issued in the United States and all foreign countries on such subject matter and improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application in the United States; and we hereby authorize our attorneys, authorized to prosecute said application, to insert the filing date and serial number of said application, when known;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such improvements to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for vesting title to such improvements in the Assignee, and for securing, maintaining and enforcing proper patent protection for such improvements;

This Assignment shall be binding on the parties' successors, assigns and legal representatives.
