ASSIGNMENT
LSG19b0U6a

We, the undersigned inventors, have made an invention which now is described and claimed in patent application:

US application serial number 60/974,455 filed September 22, 2007;
US application serial number 12/234,693 filed September 21, 2008;
CA application number 2,639,705; and
EPO application number 08016632.5.

NOW THEREFORE, pursuant to the obligations imposed by or arising under one or more of our employment agreement(s), advisor agreement(s), state or national statutes, common law, and administrative regulation, We hereby do make the following assignments:

To LAUREN AGRISYSTEMS, LTD., a corporation organized under the laws of the State of Ohio, having a business address of 2162 Reiser Avenue SE, New Philadelphia, OH 44663, and its successors and assigns, we hereby:

- 1) assign, transfer, and set over the full and exclusive right to the above-described invention and to the above-described applications for letters patent as well as any substitute, continuation, continuation-in-part, or divisional application filed thereon, to any application for letters patent that claims priority from the above-described application, and to any letters patent that issues from such application(s) as well as any reissue application or request for reexamination filed on such letters patent;
- 2) covenant and agree for ourselves and our legal representative(s) to
 - a) assist said assignee and/or its designee(s), to the extent requested, in the prosecution of said application for patent, in any interference declared on said application for patent or patent issuing therefrom, or in litigation which arises out of or is based on said application for patent or patent issuing therefrom, and
 - b) execute all papers related to said application for patent which said assignee or its designee(s) request to be signed,provided that expenses relating thereto shall be borne by said assignee; and
- 3) authorize and request the Commissioner of Patents and Trademarks to issue any letters patent of the United States relating to the above-described invention in the name of said assignee.

IN WITNESS WHEREOF, we have executed this document on the dates next to our respective names.
