## DEED OF ASSIGNMENT

### BETWEEN:

KEITH VIVIAN ALEXANDER, a New Zealand Citizen of 55 Gregan Crescent, Christchurch,  
New Zealand

AND

PAUL HENRY DRURY van ASCH, a New Zealand citizen of Fitzpatrick Road, RD,  
Queenstown, New Zealand

(collectively "**the Assignors**")

AND

FUN INNOVATORS NZ LIMITED a New Zealand Company of 2 Pompallier Terrace,  
Ponsonby, Auckland, New Zealand

("the First Assignee")

(the Assignors and the First Assignee collectively "**the Parties**")

### WHEREAS:

A. The First Assignee has made application under no. 331200 dated 28 July 1998 for  
Letters Patent in New Zealand for an invention entitled: "Retrieval Equipment"  
("the Invention").

B. The Assignors are the inventors of the Invention.

C. On 27 July 1998 the Assignors orally assigned to the First Assignee all rights in the

Invention, including the right to apply for and obtain patents in any country (including New Zealand) and the right to claim for any such application the benefit of the priority date of the said New Zealand patent application ("**the Oral Assignment**").

- D. On 2 June 1999 the Parties executed an Deed of Assignment ("**the Deed**") confirming the Oral Assignment.
- E. It was at all times the understanding of the Parties that the Oral Assignment included the right to apply for and obtain patent protection for the Invention in the United States of America, all divisions, continuations and reissues thereof and substitutions of or for such applications, and that any patent granted in the United States of America issue in accordance with the Oral Assignment.
- F. On 23 January 2001 US Patent Application 09/744,533 was filed in the name of the Assignors ("**the Parent Application**").
- G. On 23 January 2001 the Deed was recorded by the USPTO (Reel 011522, Frame 0770) and the First Assignee was recorded as "Assignee" in respect of the Parent Application.
- H. On 13 February 2003 US Patent Application 10/367,503 was filed as a Divisional of the Parent Application ("**the Divisional Application**").
- I. US Patent No. 6,688,663 was granted on the Divisional Application ("**the Patent**"), naming the First Assignee as "Assignee".
- J. The Parties wish to confirm that the First Assignee was from 27 July 1998 entitled to the grant of the Patent.

- K. On 1 June 2007 the First Assignee assigned the Patent to Queenstown Bungy Ltd  
("the Second Assignment").
- L. The Parties wish to confirm that the First Assignee was entitled to make the Second  
Assignment.

**THIS DEED NOW RECORDS:**

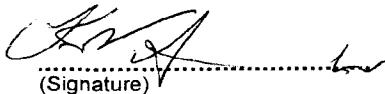

1. In consideration of one dollar US currency (\$1.00), the receipt and sufficiency  
whereof the Assignors hereby acknowledge, the Assignors confirm the assignment to  
the First Assignee of all rights in the Invention, including the right to apply for and  
obtain patents in any country (including New Zealand) and the right to claim for any  
such application the benefit of the priority date of the said New Zealand patent  
application; and further including (for the avoidance of doubt) the right to apply for  
and obtain patent protection for the Invention in the United States of America, all  
divisions, continuations and reissues thereof and substitutions of or for such  
applications; and further including the right to assign any and all rights granted  
hereunder ("the Assignment").

2. The Assignment takes legal effect from 27 July 1998.

IN WITNESS WHEREOF, the Parties have executed this Agreement the day and year indicated below:
