Assignment

In Consideration of good and valuable consideration paid to the undersigned by the Assignees, Adelaide Research and Innovation Pty. Ltd., Level 7, 115 Grenfell Street, Adelaide, South Australia 5000, Australia, and Commonwealth Scientific and Industrial Research Organisation, Limestone Avenue, Campbell, Australian Capital Territory 2612, Australia, the receipt of which is hereby acknowledged, the undersigned by these presents hereby sold, assigned, transferred and set over unto each said Assignee an undivided one-half interest in and to the improvement in:

SEQUESTERING AGENTS FOR MICRONUTRIENT FERTILISERS

said invention being fully described and/or claimed in the application for Letters Patent of the United States of America in and for the United States and all foreign countries, the same to be held and enjoyed by said assignees, their successors, assigns or other legal representatives, to the full ends of the terms for which all Letters Patents therefore may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.

And Said Assignees are Hereby Authorized to make application for and to receive Letters Patent for said invention in any of said countries of their election.

And By This Covenant The Undersigned will execute or procure any further necessary assurance of title to said invention and Letters Patent; and at any time, upon the request and at the expense of said assignees, will execute and deliver any and all papers that may be necessary or desirable to perfect the title to said invention or any Letters Patents which may be granted therefore in said Assignees, their successors, assigns or other legal representatives and upon the request and at the expense of said assignees, will execute any additional or divisional applications for patents for said invention, or any part or parts thereof, and for the reissue of said Letters Patents to be granted therefore, and will make all rightful oaths and do all lawful acts requisite for procuring the same or for aiding therein without further compensation, but at the expense of said assignees, their successors, assigns or other legal representatives.

And The Commissioner of Patents is Hereby Authorized and Requested to issue any and all Letters Patent of the United States for said invention, to said assignees.

Signed and sealed this 29 day of APRIL, 2008.
