AFFIDAVIT OF BARRY W. JOHNSON

1. I am Barry W. Johnson and am over the age of eighteen years.
2. I am the Chairman and Chief Technology Officer of Privaris, Inc., and am authorized to act on behalf of Privaris, Inc. regarding the matters addressed in this affidavit.
3. Privaris, Inc. is the assignee and correct owner, of U.S. Patent Application No. 11/389,387, filed on March 24, 2006, entitled Biometric Identification Device With Smartcard Capabilities ("the '387 Application"), by an assignment from inventors Charles Cannon and Thomas Reigle to Privaris, Inc., which has been recorded on October 30, 2007 at Reel/Frame No. 020039/0312.
4. A third party has erroneously recorded an assignment for U.S. Patent Application No. 11/389,397 against the '387 Application on April 26, 2006 at Reel/Frame No. 017529/0692 (the "Erroneously-recorded Assignment") due to a typographical error in the application number on an assignment recordation cover sheet.
5. The chain of title for the '387 Application should not be considered altered by the Erroneously-recorded Assignment. Privaris, Inc. has been, and continues to be, the correct owner of the '387 Application.

6. I understand that several requests have been made to the third party to correct the Erroneously-recorded Assignment, but the third party has been unwilling to file the corrective papers.

7. As a result of the third party's failure to correct the Erroneously-recorded Assignment, Privaris, Inc., hereby requests that the Assignment Services Division correct the error made in the Erroneously-recorded Assignment. Attached is an Assignment Recordation Cover Sheet identifying Privaris as the conveying party and the receiving party as set forth in M.P.E.P. 323.01(c).

I hereby declare that all statements made and information provided in this Affidavit are of my own knowledge and believed to be true.
