ASSIGNMENT (DESIGN)

Docket No. M81135.0708

Inventor(s): Yang QuanGuo Title: Inventor

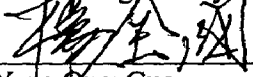

WHEREAS, I, Yang QuanGuo of JiangSu, China, have invented a certain new, original, and ornamental design as described in any application entitled "GPS Car Cushion" for Design Letters of Patent of the United States, the application having been executed on even date herewith, and/or being identifiable in the United States Patent and Trademark Office by Serial No. _____, filed _____; and

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, I transfer to Assignee, its successors and assigns, my entire right, title, and interest in and to the design, the above-identified application, corresponding domestic and foreign applications, all Design Letters Patent or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention; and I authorize the Commissioner of Patents and Trademarks of the United States or foreign equivalent thereof to issue the Design Letters of Patent or similar legal protection to the Assignee.

I authorize the Assignee, its successors and assigns, to insert in this instrument the filing date and serial number of the application when ascertained.

I authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Design Letters Patent or similar legal protection, in its own name if desired, in any and all foreign countries.

I represent to the Assignee, its successors and assigns, that I have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. I, my executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and so such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this Patent or similar legal protection on the design in any and all countries.
