ASSIGNMENT OF PATENT APPLICATION

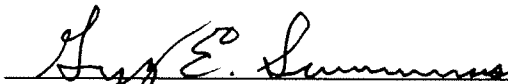

Whereas, Gregory E. Summers and Daniel Edward Ellgass ("Assignors"), with mailing addresses at Post Office Box 498, Madison Heights, Virginia 24572; and 13896 Lee Jackson Highway, Big Island, Virginia 24526, respectively, are named inventors on a United States Patent Application entitled PRODUCING AND USING ARCHERY SIGHTS ("Application") for inventions claimed or described therein ("Inventions");

Whereas, each of the Assignors has been and is now obligated as a condition of his employment to assign his rights in the Application and the Inventions to Gregory E. Summers (hereinafter "Assignee"), an individual with a mailing address at Post Office Box 498, Madison Heights, Virginia 24572, and hereby confirms that his obligation to assign has been in force throughout conception and reduction to practice, whether actual or constructive, of the Inventions; and

Whereas, Assignee is therefore entitled to acquire Assignors' right, title, and interest in the Application and the Inventions and the full cooperation of Assignors;

Now, therefore, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, and transfer to Assignee, his successors, assigns, and legal representatives, Assignors' entire and exclusive right, title, and interest in the Application and the Inventions, in and for the United States of America, its territories, and all foreign countries, including all applications, patents, design registrations, and publications obtained or derived therefrom, world wide, and all priority rights under all applicable present or future conventions and treaties; Assignors hereby authorize and request the Commissioner of Patents and Trademarks to issue each resulting United States Patent to Assignee, for his interest as Assignee, his successors, assigns, and legal representatives for its full term; Assignors agree that Assignee may apply for and receive all available international or foreign patents on the Application and the Inventions; and Assignors agree to execute all papers and take all actions necessary and desirable to establish and maintain Assignee's rights in the Application and the Inventions when requested by Assignee.
